

Student: Star Harlin

Please record the members of your group. Please answer what each member contributed to the project. Circle the number you believe represents each member's contribution to the presentation/assignment. Do **NOT** evaluate yourself.

Evidence-Based Practice Poster Presentation

Group Member: David O

What did this member contribute to the presentation?

David researched medications and different therapies that go along with phantom limb syndrome as well as past therapies that have been used. David was amazing at helping using the paper cutter because the rest of us kept messing up. He helped cut the majority of the paper that went onto the presentation board and just had great ideas to help with the board

Please circle/rate the member on a scale 1 to 5 below:

1 Minimum 3 Average/Good 5 **Above Average/Very Good**

Group Member: Brianna F

What did this member contribute to the presentation?

Brianna researched mental health related to phantom limb and ways a patient might deal with the pain that comes along with phantom limb syndrome. She helped put the whole board together and get paper cut to get it onto the board.

Please circle/rate the member on a scale 1 to 5 below:

1 Minimum 3 Average/Good 5 **Above Average/Very Good**

Group Member: Cj B. _____

What did this member contribute to the presentation?

Cj bought all the supplies for the project and we later venmo her to help pay for it. Cj researched about new studies that are actively going to help with phantom limb syndrome. Cj helped put all the citations in order and even made a word document we could all have access to so we could collaborate all our information. Cj helped getting all the info on the board and helped research pictures to place on the board

Please circle/rate the member on a scale 1 to 5 below:

1 Minimum 3 Average/Good 5 Above Average/Very Go

Overall, how did your group perform together? (Please circle/rate below):

1 Poor 3 Average/Good 5 Above Average/Very Good
