Why I want to be a nurse?

I want to be a nurse because I can serve God by serving others. I want to be a nurse because I want to be able to take of my family and a family of my own one day. I want to be a nurse because I think how the body functions and works is very interesting and fun to learn about. I want to be a nurse because I know how to take of people being the oldest and stepping up when my mom was really sick.
