

Instructions for Simulation:

***Confidentiality-** You signed the Student Commitment to Conduct during non-graded and graded CPE at the beginning of Instructional Module 1. That commitment is expected in every Instructional Module. Remember to respect the confidentiality of your fellow learners and not share any information outside of the simulation session.

Please do not share any of the information emailed to you with anyone else, this could be considered an academic integrity issue.

STUDENTS ARE NOT ALLOWED TO SHARE SIMULATION INFORMATION or EVENTS WITH CLASSMATES OUTSIDE of THEIR SIMULATION GROUP.

You are required to come to sim prepared. In Pediatric Simulation Clinical lesson there is a patient preparation Worksheet that you must complete for your patient. Each student must complete their own paperwork and I will be checking for completion. If your paperwork is not complete you will be asked to leave and have an absence for the day. Please note you must come with paperwork complete on Tuesday as you will not know what scenario is being presented first.
