

CSON IM2: Scoring Rubric for Disciplinary Action Summary Presentation

Powerpoint must be turned in to Dropbox by midnight the day before or a point deduction will occur.

- Up to 24 hours late: 15 point deduction
- Greater than 24 hours late will receive a zero (0)
 - o Note: all out of class assignments must be completed in order to complete Module 2 and move onto Module 3 (Student Handbook & IM2 Syllabus)

If absent on day of presentation, student will present on the next day of lecture/class time.

Case must be:

- Registered Nurse
- Involve charges related to patient care IN A HOSPITAL OR CLINIC SETTING (med errors, patient safety, drug diversion, patient abandonment, etc.)

Case may not be:

- LVN, NP, APRN, etc.
- Cases that do not directly impact patient care (instances during personal life, occurrences outside hospital or clinic work hours, charges for not paying student loans, etc.)

Presentation:

- 5 minutes
- Powerpoint – May use more than one (1) slide if needed under the same topic

Failure to adhere to guidelines will result in a zero (0)

Requirement	Excellent	Competent	Needs Work	Possible Points
PowerPoint Presentation	(Slide 1) Title, Name, Date			5
Identifying Information	(Slide 2) Name of nurse, type of license (RN only), and license number			
1-Date and actions taken 2-Events leading to the action taken	(Slide 3) Position is clearly stated. Organization of the information is completely and clearly outlined and implemented. 16-20 pts	Position is clearly stated. Organization of information is clear in parts or only partially described and mostly implemented. 10-15 pts	Position is vague. Organization of argument is missing, vague, or not consistently maintained. 0-9 pts	20
Measures to prevent action and/or harm	(Slide 4) Position is clearly stated. Organization of the information is completely and clearly outlined and implemented. 16-20 pts	Position is clearly stated. Organization of information is clear in parts or only partially described and mostly implemented. 10-15 pts	Position is vague. Organization of argument is missing, vague, or not consistently maintained. 0-9 pts	25
FIVE (5) Universal	(Slide 5)	Position is clearly stated.	Position is vague. Organization	25

CSON IM2: Scoring Rubric for Disciplinary Action Summary Presentation

<p>competencies breached How they were breached</p>	<p>Position is clearly stated. Organization of the information is completely and clearly outlined and implemented. 20-25 pts</p>	<p>Organization of information is clear in parts or only partially described and mostly implemented. 10-19 pts</p>	<p>of argument is missing, vague, or not consistently maintained. 0-9 pts</p>	
<p>How would you react if you were the first to discover incident</p>	<p>(Slide 5) Position is clearly stated. Organization of the information is completely and clearly outlined and implemented. 7-10 pts</p>	<p>Position is clearly stated. Organization of information is clear in parts or only partially described and mostly implemented. 4-6 pts</p>	<p>Position is vague. Organization of argument is missing, vague, or not consistently maintained. 0-3 pts</p>	10
<p>Power Point and Presentation Style</p>	<p>Professional Appearance Creativity No Grammatical or Spelling errors Readable Font size Presents in an engaging manner and does not read from slides and includes information not on slides. Stays within the time frame allotted. Voice is very clear and loud. 11-15 pts</p>	<p>Professional Appearance is lacking Font size is hard to read Grammar/Spelling errors (1-3) Presents in an engaging manner but has some areas where the presentations is strictly read from slides without adding additional pertinent information. Voice is not clear and loud enough to be easily understood. 6-10 pts</p>	<p>Professional Appearance not acceptable Font size is very difficult to read Grammar/Spelling errors (>3) Reads from slides and does not demonstrate in-depth knowledge through presentation style. Voice is not clear and loud enough to be easily understood. 0-5 pts</p>	15
