

MODULE 2: CLINICAL PAPERWORK

Early in the day, talk to your nurse & together pick one patient for you to fill out for this clinical assignment. Ask your nurse to help you look up the information needed. You will have 1 patient per clinical week.

You will be reporting on your patient during post-clinical conference, so be prepared!
BRING BLANK COPIES ALL PAPERWORK PRINTED WITH YOU TO CLINICAL. You will receive feedback from your instructor before the next clinical week.

DAILY PHYSICAL ASSESSMENT (CHECKBOXES BY SYSTEM)

- Complete on 1 patient per clinical week
- Look carefully at each box and each line – address what is applicable
- Use this form to help report to group during post-clinical

PHYSICAL ASSESSMENT NARRATIVE by SYSTEMS
