Identifying Information

Ramon Cruz

License Number: RN 9440196

Date & Action; Event leading to action taken

Ramon Cruz, employed as a registered nurse at Northside Hospital and Heart Institute in St. Petersburg, Florida, had his professional license revoked due to misconduct involving a patient. While on duty at the hospital, Cruz breached the boundaries of professional conduct by attempting to engage in sexual activities and committing sexual misconduct with a patient. This egregious violation of professional ethics led to the severe sanction of revoking his nursing license.

Measures to prevent action and harm

1. Reporting system
2. A zero-tolerance policy
3. Emphasize and enforce clear guidelines

Five Universal Competencies

- 1. Professionalism**
- 2. Communication**
- 3. Ethical Practice**
- 4. Patient-Centered Care**
- 5. Human Care**

First Discover Incident
