### **Evidence-Based Practice Poster Presentation**

**Group Member:** Avery Baldree

**What did this member contribute to the presentation?**

Avery made the poster, researched/talked about signs and symptoms, and how alcohol withdrawal syndrome affects the body. Elizabeth and I were very grateful that she decided to put together the poster and helped as much as we could.

**Additional Comments:** I feel as if our group performed very well together. Our presentation flowed smoothly and we fed off of each other's topics. We also didn't have any problems with working together and were able to constructively criticize one another to have the best presentation we could have.
