

DAS PRESENTATION

Kadie Bergmann

September 10, 2024

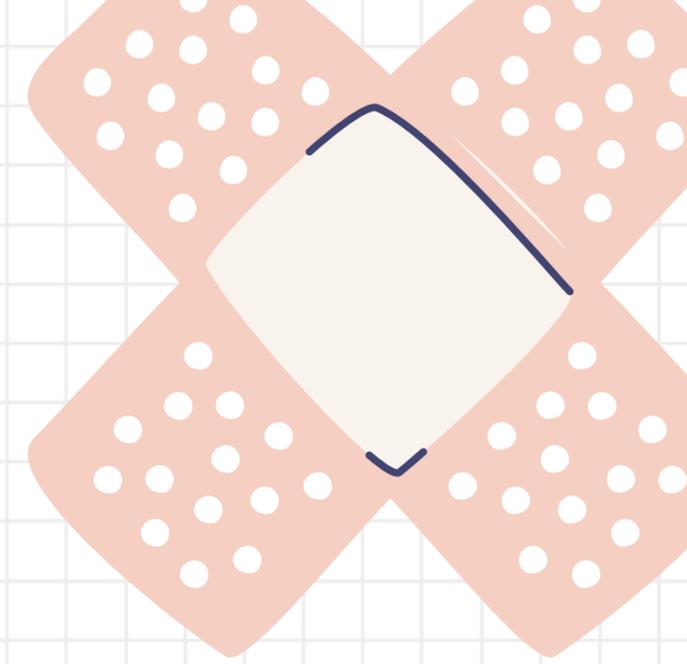

Shawna Amber Stuermer, RN

License #919937

Case

On or about October 4, 2018 - October 18, 2018

Events

Withdrew medications without documenting the administration / wastage

Did not document pain level corresponding to the medication

**Stuermer stated she did not document because of her patient
load and lack of time management**

Action Taken: WARNING WITH STIPULATION

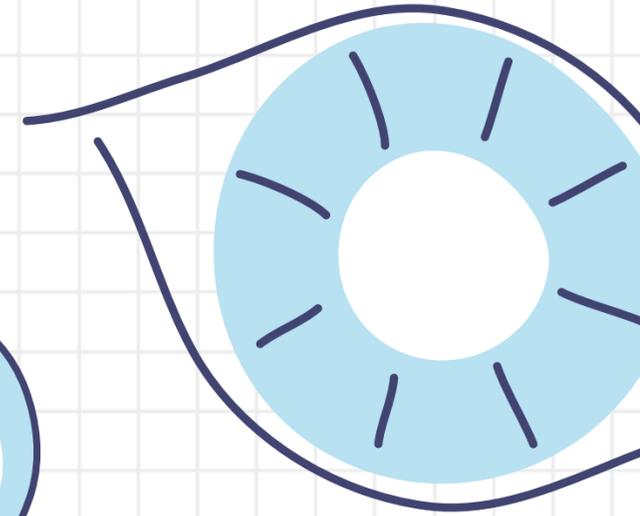

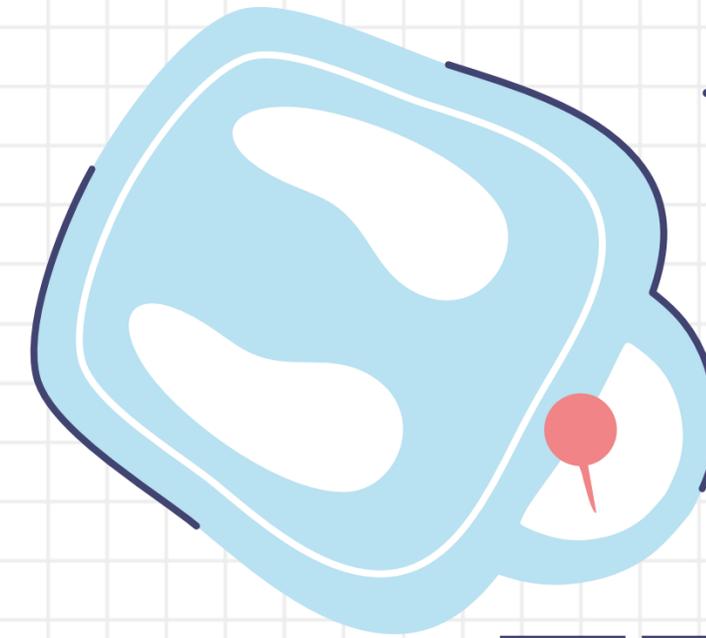

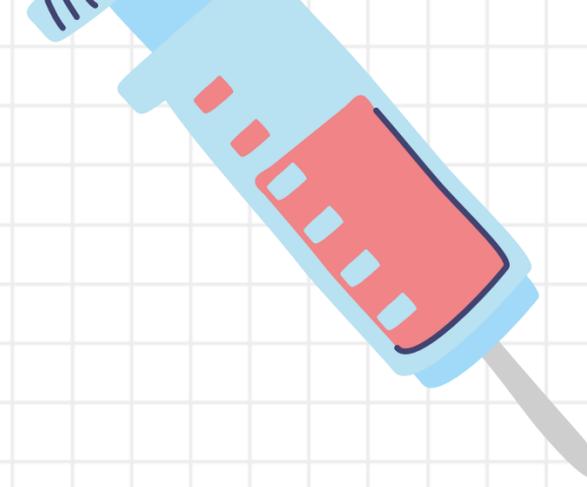

Measures to Prevent Action / Harm

- Offer Help
- Call Physican to verify order before she drew the med up
- Asked about their pain

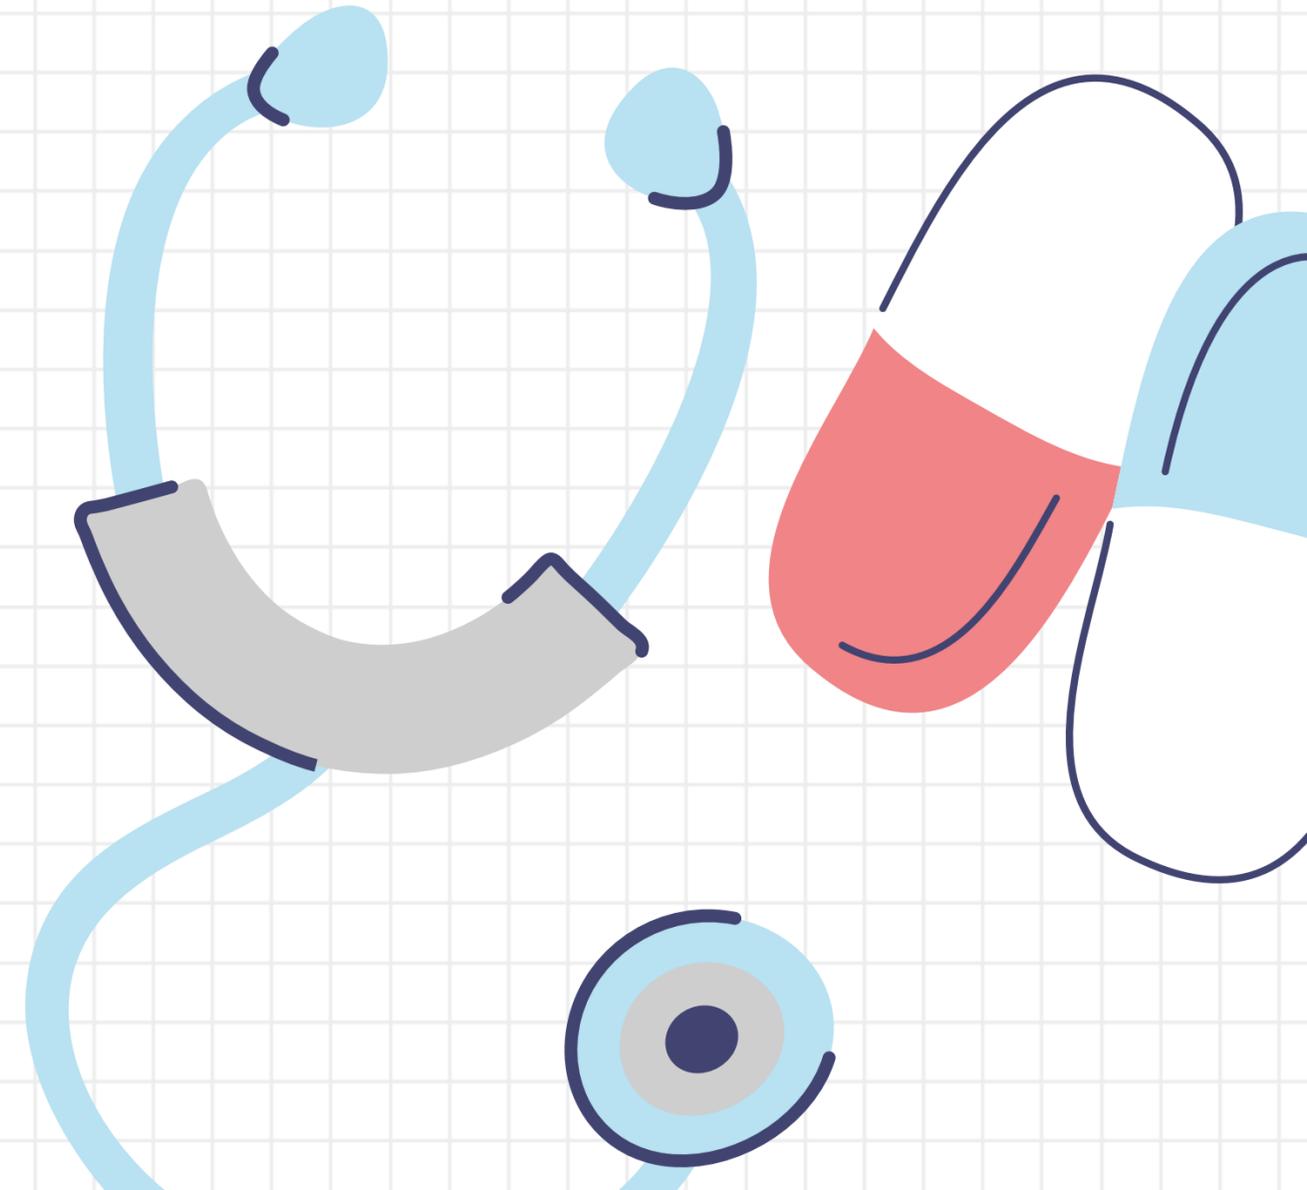

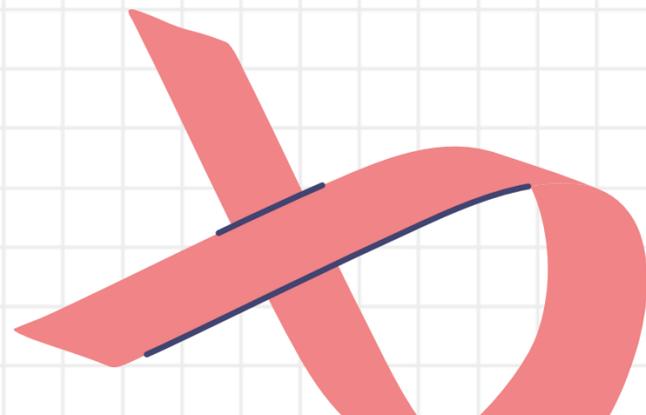

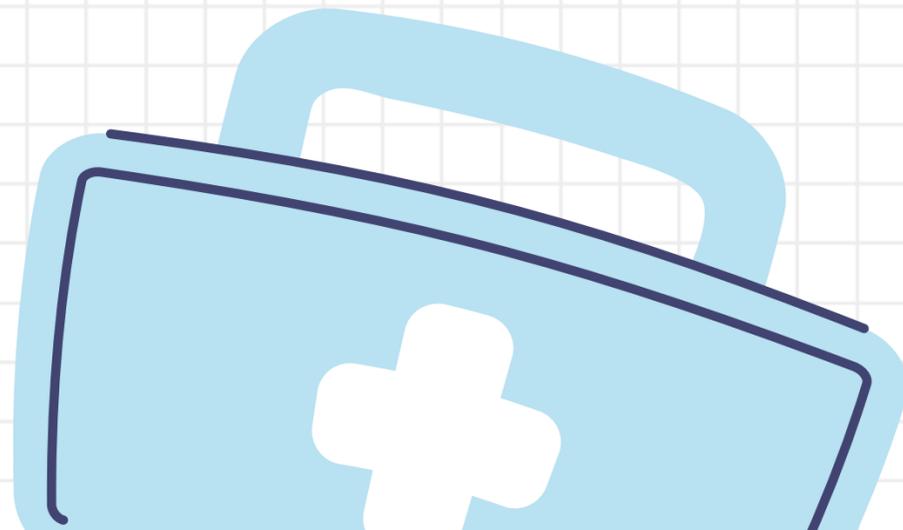

1. Safety & Security
2. Standard Precaution
3. Communication
4. Documentation
5. Critical Thinking
6. Professional Role

FIVE (5)
Universal
Competencies

How Would I React?

- **Offer Support When Needed**
- **Notify Nurse Manager ASAP**

THANK YOU!
