- a. Tab name: accreditation
  - b. What year is the latest JRCERT Radiography Standards? 2021
9. What are some “Important Notes for Reporting Allegations Against a Program”?
- a. The JRCERT cannot advocate on behalf of any student(s). An investigation into allegations of non-compliance addresses only the program’s compliance with accreditation standards and will not affect the status of any individual student.
  - b. The investigation process may take several months.
  - c. The JRCERT will not divulge the identity of any complainant(s) unless required to do so through legal process.
10. Where would the allegations of non-compliance be submitted, if the complaint is still unresolved after the appeals process?
- a. If the individual is unable to resolve the complaint with program/institution officials or believes that the concerns have not been properly addressed, he or she may submit allegations of non-compliance to the JRCERT:
    - b. Chief Executive Officer
    - c. Joint Review Committee on Education in Radiologic Technology
    - d. 20 North Wacker Drive, Suite 2850
    - e. Chicago, IL 60606-3182
    - f. Phone: (312) 704-5300
    - g. e-mail: mail@jrcert.org

The information to the following questions can be found at Covenant School of Radiography’s website [www.covenanthealth.org/csor](http://www.covenanthealth.org/csor) and the handbook. This information is also available on JRCERT’s website, however, may be easier obtained through the Covenant media.

11. What is the policy number for Covenant School of Radiography’s Appeal Process—Grievance? (*Handbook*)
- a. ~~First Step: The student will be verbally counseled about the problem by the program director. A written statement of the verbal reprimand will be placed in the student’s folder.~~
  - b. Second Step: If the problem continues, the program director will reprimand the student. The reprimand will become a part of the student’s permanent record.

- c. Third Step: If the student continues to show no improvement, the student will be suspended without credit for a period of three to ten class days. The reprimand will become part of the student's permanent record.
  - d. Fourth Step: If the student still makes insufficient improvement, the student will be expelled by the program director
12. What are the steps to Covenant School of Radiography's appeal process?
- a. Step One: The problem should be discussed between the student and the program
  - b. director. A thorough investigation and review will be conducted. A
  - c. decision should be reached within three days. Most decisions will be
  - d. resolved in this step.
  - e. Step Two: If the student is unsatisfied with the decision, the program director must
  - f. be notified that he/she plans to discuss the problem with the Executive
  - g. Director of Nursing over Covenant School of Radiography. A meeting
  - h. will be held to explain and discuss all pertinent information. A decision
  - i. should be reached within three days.
  - j. Step Three: If the student believes a problem still exists, he/she should send a
  - k. written statement to the CEO of Covenant Medical Center. The
  - l. personnel department will help the student with any problems they might
  - m. have in writing the letter. The student should receive a decision from the
  - n. writing within two weeks
13. What are the goals and student learning outcomes (SLOs) CSOR has chosen to focus on as part of their accreditation process?
- a. Goal 1: Students will be able to safely and competently perform radiographic procedures
    - i. Outcome: Students will practice radiation safety at all times.
    - ii. Outcome: Students will demonstrate an understanding of equipment operation by
    - iii. utilizing psychomotor and critical thinking skills
