Instructional Module 6: Obstetrics Community Clinical Experience

Community Site: STD - Lubbock Health Dept.

1. What did you observe during the day? Were there any specific procedures that were able to participate in or observe?

Witnessed a lot of pt. teaching
Culture swabs

Blood draws

2. What was the best/most interesting part of the experience?

I think watching them perform a finger stick to do a
AIV test in 20 sec. was pretty interesting

3. Is a community nursing position something that you would consider working in? Why or why not?

No, I don't think a clinical setting is for me.

4. Do you feel like this community site met the needs of the population they serve? Why or why not?

Yes, they were very informative to the patient on what services they provide. They also included what treatments were being done during visit if needed.

5. Did you witness patient teaching? What general things were taught to this population? Do you feel that patient teaching in this community site was adequate? Why or why not?

Yes. Nurse was very informative on what drugs can be used to prevent HIV.
