c. <b>Clinical judgement:</b> Integrate use of current evidence-based practice and clinical competence when making clinical decisions in the provision of patient centered care. (Clinical Judgement model)			
d. <b>Patient centered care:</b> Integrate nursing care for patients from diverse backgrounds based on patient age, culture, values, and educational needs.			✓
e. <b>Professionalism:</b> Integrate knowledge, skills, and attitudes required of the professional nurse, embracing lifelong learning to improve the quality of healthcare.			✓

2. What do you think are the student's personal strengths?

I believe Addy possesses many admirable qualities. Her strength lies in her ability to connect with patients and adapt to their needs and desires. I truly admire her eagerness to learn; it's inspiring to see how dedicated she is to her growth. She is truly amazing.

3. What have you identified as an opportunity for improvement for the student?

I believe Addy could benefit from improving her organization, skills and adhering to her established structure. Additionally, she needs to learn to trust herself more; her intentions and decision-making are spot on, it's important for her to have confidence in that. This is all part of the learning process.
