

IM8: Capstone Appraisal of Student Performance

(preceptor Completes and Review with student)

Student: Elizabeth Atore

Midterm: ✓ 5 shift

Unit: KTACH

Finals: _____

1. Please reflect on the student's clinical performance during the capstone preceptorship and appraise the following:

Clinical Learning Outcomes	Below Average Performance Needs Significant Guidance	Satisfactory Performance Needs Average Guidance	Outstanding Performance Needs Minimal Guidance
a. Safety/Quality: Integrate nursing care using evidence-based practice to promote safety and quality for patients, self and others			✓
b. Communication: Communicate and collaborate effectively with patients, family, and members of the interdisciplinary team in various healthcare settings. (SBAR, Documentation, patient advocacy)			✓
c. Clinical judgement: Integrate use of current evidence-based practice and clinical competence when making clinical decisions in the provision of patient centered care. (Clinical Judgement model)		✓	
d. Patient centered care: Integrate nursing care for patients from diverse backgrounds based on patient age, culture, values, and educational needs.			✓
e. Professionalism: Integrate knowledge, skills, and attitudes required of the professional nurse, embracing lifelong learning to improve the quality of healthcare.			✓

2. What do you think are the student's personal strengths?

She has the willingness to learn and always hands on.

3. What have you identified as an opportunity for improvement for the student?

Time management will come with time. She will find her groove with experience. Don't be so hard on yourself for that.
