

IM8 Capstone Preceptorship: Student Self-Evaluation

1. Please reflect on your performance during the capstone preceptorship and rate yourself on the following:

	I need significant guidance	I need average guidance	I need minimal guidance
a. <b>Safety/Quality:</b> I Integrate nursing care using evidence-based practice to promote safety and quality for patients, self and others			X
b. <b>Communication:</b> I Communicate and collaborate effectively with patients, family, and members of the interdisciplinary team in various healthcare settings. (Documentation, Patient advocacy, & SBAR)			X
c. <b>Clinical judgement:</b> I integrate use of current evidence-based practice and clinical competence when making clinical decisions in the provision of patient centered care. (Clinical judgement model)		<del>X</del>	X
d. <b>Patient centered care:</b> I integrate nursing care for patients from diverse backgrounds based on patient age, culture, values, and educational needs.			X
e. <b>Professionalism:</b> I integrate knowledge, skills, and attitudes required of the professional nurse, embracing lifelong learning to improve the quality of healthcare.			X

2. What do you think are your personal strengths?

I think I am skilled at connecting with my patients and incorporating patient-centered care. I also feel confident in my med admin and documentation.

3. What have you identified as a personal opportunity for improvement?

I feel like I can continue to improve my clinical judgement. For example, knowing when & why we give a PRN med to our patient. I also think just growing in confidence in myself.
