

Clinical Instructions CSON IM7

Check in with your clinical instructor at the designated place listed on the clinical schedule.

Clinical Shift: See clinical schedule.

Clinical Expectations:

Review the CSON Student Skills & Procedure Progression & Medication Progression prior to clinical rotation(s).

Located on LMS homepage.

Be prepared to engage with staff, patients, and faculty.

Actively seek out procedures and assessment opportunities.

Adhere to the Professional Code of Conduct available in the Student Handbook.

Epic Documentation:

Ensure that you are in your student EPIC account at all times.

Students accessing patient accounts while under their Nurse Tech login, may be subject to dismissal from the program.

You will not be charting directly in the patient account.

Documentation of medication administration and invasive procedures will be done with your assigned patient's primary nurse.

Call the helpdesk 5-5555 for problems with log in.

Paperwork:

Bring printed copies of the Clinical Judgment Paperwork to clinical. See the paperwork for instructions.

This paperwork was designed to help you begin to perform the documentation and clinical thinking of patient care to be able to think like a nurse.
