CHECK IT DAILY

LVN-RN INSTRUCTORS FOR 1300 COHORT

- E. McWilliams, MSN, RN
- D. Kilpatrick, MSN, RN, CNE, CCRN-K
- J. Gurley, MSN, RN, C-OB, C-EFM,
- A. Harrison, DNP, RN-BC

THE NEXT 14 WEEKS

- Bring a laptop for practice questions and activities in class.
- Seating assignments - first day
- Calendar
- Theory
- Five (5) Collaborative Learning Quizzes
- Six (6) Unit Exams (75 content questions + 5 med calc)
- Five (5) Pharm Quizzes
- Two (2) Dosage Calculation exams (must make an 85% .
- Labs: CVAD with all things IV + CVAD skills check-off, Adv. Med-Surg, Foley practice & graded performance, and Pedi. (OB & MH are done in the classroom)
- HESI & Other Assignments
- Study, study, study

This is a very busy course. You must actively study and work on assignments. **Do NOT fall behind!**

Collaborative Learning Guidelines

1. Remember the “Confidentiality Statement” form you signed and adhere to the “Honor Code.”
2. The collaborative learning **test time will be limited**
3. **NO CELL PHONES OR SMART WATCHES!** Place these electronic devices in your backpacks.
4. **NO** pens, pencils, or paper needed. Faculty will supply what you need.
5. Faculty will assign groups of three per table.
6. One paper test, one answer sheet, and one pen will be provided by faculty.
7. Students may use their laptop to access PowerPoints.
8. Students may use their textbooks and notes.
9. Students are to collaborate within the assigned group only!
10. **NO NOTE TAKING OR MARKING IN BOOKS ALLOWED!** If students are observed taking notes, they will be excused from the room and will receive a corrective action according to policy. A second corrective action is grounds for dismissal from the program.
11. When you complete the “Collaborative Learning” activity raise your hand and faculty will collect the paper test and pen. Keep the noise level to a minimum.
12. The instructors reserve the right to end the “Collaborative Learning” activity at any time if students do not comply with the guidelines.

ATTENDANCE

- Students are allowed **three (3) absences**
- A student may miss only **one (1) clinical (lab) day**.
- If a student misses another clinical (lab) day, the student must do clinical (lab) make-up.
- **Any subsequent clinical (lab) absences will result in failure of course even if their total absences do not exceed three (3) days of absences.**
- **Three (3) tardies = an absence**
- Attendance is taken daily and maintained in Empower
- Keep track of your absences and tardies and verify in Empower
- Be on time for class and labs.
- **Notification from Mrs. Milam

Discussed in pre-orientation– Refer to the student handbook!

COVID GUIDELINES

- If you have been exposed to someone with (+)COVID, you must notify me (Mrs. McWilliams) immediately.
- If you are sick and test positive for COVID, you must notify me (Mrs. McWilliams) immediately.
- I will forward the information to Dean Jennifer Timmerman. She will contact you by phone and instruct you on what must be done.

Discussed in pre-orientation– Refer to the student handbook!

WEATHER POLICY

- If LISD delays school, CSON will delay theory & labs for same amount of time
- If LISD cancels school, CSON will cancel class and Lab, we will use a weather day if needed.
- Check LMS for detailed instructions from Mrs. McWilliams
- Everbridge (call/text system) will be utilized for cancellations

PROFESSIONAL NURSING SKILLS CRITICAL ELEMENTS AND NURSING INTERVENTION INSTRUCTIONS (NII'S)

- On the LMS Homepage
- Instructions on How to do Skin
- Review before Labs for skills CPEs
- * Skills videos are located in LMS>Lessons>CSON LAB Schedules/Quizzes/SIM Skills Videos

RETENTION SPECIALISTS

- See Retention Specialists if needed
 - Make an appointment via email with Mrs. Jeanette Gurley office #187
- Last day to withdraw is posted on the calendar in week 12.
 - Mrs. McWilliams and Mrs. Kilpatrick will meet with you if your grade is 76% or lower.
- Be ready for a busy module!!
- Don't fall behind!
- Be prepared before class!!

GRADES

Six (6) Unit Exams	Six, 80-item exams taken in the LRC.
The six, unit exams must average 75% (no rounding) before other grades are added for a final course grade.	
Other Instructional Module Graded Items Value (weight: 25% of final Instructional Module Grade)	
Other graded items listed in the Learning Guides	5% - Competency Performance Exams (CPE)
	5% - Dosage Calculation 1
	5% - Dosage Calculation 2
	5% - Average of five (5) pharm quizzes
	5% - HESI Specialty exam – Pharmacology
Final Grade Calculation	Total exam grades average as defined in criteria = 75% of final grade Other graded items = 25% of final grade
Grading Scale	90-100 = A 80-89 = B 75-79 = <u>C</u> Less than 75 = F

Refer to the course syllabus

EXAMS/TEST REVIEWS

- Be on time
- **No items** permitted in LRC during testing
 - Leave cell phones, purses, backpacks, & valuables secured in your car
- NO SMART WATCHES, NO HATS!!
- Pencil & scratch sheet of paper will be provided
- Test times of exams per course calendar (exams are in LRC)
- Seating is randomized by instructors
- Reviews will immediately follow the exam in the LRC.

WHAT HAPPENS IF I'M LATE OR MISS AN EXAM?

- “If the student arrives after the start of an exam, the student will be admitted to the exam and will receive a tardy. No additional time will be allowed for the exam.”
- Only one exam can be rescheduled per course.

Discussed in pre-orientation– Refer to the student handbook!

WHAT HAPPENS IF I FORGET TO UPLOAD MY EXAM?

- Failure to close and upload your exam will result in a **5-point deduction on the exam.**
- When you upload you will see this

EXAMSOFT USERNAME & PASSWORD

- Memorize, memorize, memorize
- I've provided you with a clear ID badge sleeve with a card to write down your usernames and passwords.
- **One point deduction** for not knowing your ID Number
