7. Equipment: IV Pumps, syringe pumps, tube feeding pumps, Ventilators, etc.	✓	

Checked by Clinical instructor: _M. Griffin_

Date: _01/19/25_

Student: **Priscilla Garcia**

Unit: **SICU**

Midterm: _____

Finals: _____

1. Please reflect on the student's clinical performance during the capstone preceptorship and appraise the following:

Clinical Learning Outcomes	Below Average Performance Needs Significant Guidance	Satisfactory Performance Needs Average Guidance	Outstanding Performance Needs Minimal Guidance
a. **Safety/Quality**: Integrate nursing care using evidence-based practice to promote safety and quality for patients, self and others			✓
b. **Communication**: Communicate and collaborate effectively with patients, family, and members of the interdisciplinary team in various healthcare settings. (SBAR, Documentation, patient advocacy)			✓
c. **Clinical judgement**: Integrate use of current evidence-based practice and clinical competence when making clinical decisions in the provision of patient centered care. (Clinical Judgement model)		✓	
d. **Patient centered care**: Integrate nursing care for patients from diverse backgrounds based on patient age, culture, values, and educational needs.			✓
e. **Professionalism**: Integrate knowledge, skills, and attitudes required of the professional nurse, embracing lifelong learning to improve the quality of healthcare.			✓

2. What do you think are the student's personal strengths?

Priscilla has done really well adapting to each patient we have had through the short-time we have had together. I enjoy that she wants to learn and is eagered to learn and help. She does really well and has compassion for the patients always has a smile.

3. What have you identified as an opportunity for improvement for the student?

Honestly she is right were she needs to be. I believe structure in finding her groove in what works for her in recieving report and knowing where to start before starting her shift
