## Instructional Module 6: Obstetrics Community Clinical Experience

Community Site: Angela Westfall

1. What did you observe during the day? Were there any specific procedures that were able to participate in or observe?  
I was able to see the process of checking people in & what the nurse does during that time I also got to observe a few pap smears.
2. What was the best/most interesting part of the experience?  
Getting to be able to see the cervix.
3. Is a community nursing position something that you would consider working in? Why or why not?  
Yes. I enjoy the pace and I like how the environment is not too busy.
4. Do you feel like this community site met the needs of the population they serve? Why or why not?  
Yes, this clinic the pt. is the "boss" they allow the pt to make all the decisions. They inform their pt's very well.
5. Did you witness patient teaching? What general things were taught to this population? Do you feel that patient teaching in this community site was adequate? Why or why not?  
Yes we informed our pts of "bleeding, cramping, & other abdominal discomfort" that they may feel during or after the procedure.
