**Instructional Module 6: Obstetrics Community Clinical Experience**

Community Site: Westfall

1. What did you observe during the day? Were there any specific procedures that were able to participate in or observe?  
I got to observe several vaginal exams, I got to administer a birth control shot.
2. What was the best/most interesting part of the experience?  
I felt like the staff truly listened and addressed the concerns of their patients.
3. Is a community nursing position something that you would consider working in? Why or why not?  
Yes, I really enjoyed the environment and schedule.
4. Do you feel like this community site met the needs of the population they serve? Why or why not?  
Yes, they truly listen and try to do the best for the patient.
5. Did you witness patient teaching? What general things were taught to this population? Do you feel that patient teaching in this community site was adequate? Why or why not?  
Yes. There was a lot of contraception education and information regarding proper hygiene.
