

HESI Categories for Proctored Exams

Practice Tests and Practice Quizzes are located in the Case Studies Folder
It is **STRONGLY** recommended to complete those in preparation for your Proctored exam

Scoring:

- Students earning a HESI score of 850 or above will earn 100% in the gradebook. Students with a score of 849 or less will be **required to complete structured remediation prior to taking the second version of the HESI exam** (see course calendar). Due date for V1 remediation will be **09/25/25 @ 2359**
- If a student fails to complete the remediation of V1, the student will be unable to take V2 and will receive an absence. (See Theory Exam/Quiz or Standardized Test Absence)
- The conversion score on the V2 exam will be placed in the gradebook and account for 5% of the course grade.
- Example: (Conversion Scores vary based on exam-type and student performance)

Sample	HESI Score	Conversion score	Gradebook Score
Student 1	1030	92.35	100%
Student 2	876	80.66	100%
Student 3	839	74.88	74.88%
Student 4	703	63.25	63.25%

- Students who are unsuccessful in meeting V2 benchmark will be highly encouraged to complete remediation before 10/02/25
- If the benchmark is not met on V1, remediation of V1 and completion of V2 exam is required. Failure to complete both versions will result in module failure.

Subcategories which may be included on the Proctored exams are on the following page.
The number of questions may vary; this is simply to provide you with an idea of what areas to focus on

It is the student's responsibility to prepare for the proctored HESI's

Subcategories tested previously include:

RN Maternity	# Items Tested	RN Psychiatric	# Items Tested
