

Instructional Module 1 ATI Assignments

Learning Objective: To provide IM1 students opportunities to enhance nursing judgment connecting theory to practice using Evidence Based Practice learning materials.

Instructions: Students must complete the weekly ATI learning activities as outlined in the table below in accordance with the due dates specified.

Due Dates: ATI assignments are due on Monday by midnight on Weeks 2, 3, 4, 5, 6, and 7 (SEE COURSE CALENDAR and ATI Calendar). Failure to complete each weekly assignment by the specified date/time will result in a zero (0) in the Gradebook. **Please Note: The ATI calendar sets midnight as 12:00 AM on the following Tuesday. Therefore, assignments show up on the calendar on Tuesdays. Assignments are due and will close at midnight MONDAY night.**

Grading Criteria: You must achieve a score of 80% on each ATI test or quiz listed to meet the IM1 course requirement. Some assignments simply require completion. All assignments must achieve a score of 80% or show completion to receive credit for ATI in each week. **The ATI assignments count as 5% of your overall course grade.**

For questions pertaining to ATI, visit **atitesting.com** to use the **chat function** in the bottom right corner of screen or call **1-800-667-7531** M-F 0600-2100 and Saturday 0800-1200. If unable to get help from ATI, contact **Mrs. Wolfe (806) 577-9583**.

Weekly Topics	ATI Location:	Specific Activity Assigned	Instructions:
Week 1: Wolfe: Infection Control Severs: Vital Signs McNeill: Body Mechanics McNeill: Dosage Calculations Brazil: Accu-Chek DUE DATE: Week 2, Monday by Midnight	Video Case Studies RN 3.0 Skills Modules 4.0	- Safety: Standard Precautions - Vital Signs - Assessment - Mobility - Medication Administration	Complete Lesson and do Posttest Complete Skills Module Assessment Lesson and Assessment Test Complete Dosage Calc Lesson and Assessment Test
