

**IM8 Capstone Preceptorship: Student Self-Evaluation**

**1. Please reflect on your performance during the capstone preceptorship and rate yourself on the following:**

	I need significant guidance	I need average guidance	I need minimal guidance
a. <b>Safety/Quality:</b> I Integrate nursing care using evidence-based practice to promote safety and quality for patients, self and others			X
b. <b>Communication:</b> I Communicate and collaborate effectively with patients, family, and members of the interdisciplinary team in various healthcare settings. (Documentation, Patient advocacy, & SBAR)			X
c. <b>Clinical judgement:</b> I integrate current evidence-based practice and clinical competence when making clinical decisions in the provision of patient centered care. (Clinical judgement model)		X	
d. <b>Patient centered care:</b> I integrate nursing care for patients from diverse backgrounds based on patient age, culture, values, and educational needs.			X
e. <b>Professionalism:</b> I integrate the knowledge, skills, and attitudes required of the professional nurse, embracing lifelong learning to improve the quality of healthcare.			X

**2. What do you think are your personal strengths?**

- I am highly energetic and motivated to help others. I take the initiative and find adaptive ways to reach patient goals. I have even sung to get a patient to take their medications.

**3. What have you identified as a personal opportunity for improvement?**

- Becoming more familiar with some of the medical complications of pediatrics and learning some of the nuances of EPIC.
