

IM8: Capstone Appraisal of Student Performance

(preceptor Completes and Review with student)

Student: Victoria Borono

Midterm: _____

Unit: Stafing

Finals: ✓

1. Please reflect on the student's clinical performance during the capstone preceptorship and appraise the following:

Clinical Learning Outcomes	Below Average Performance Needs Significant Guidance	Satisfactory Performance Needs Average Guidance	Outstanding Performance Needs Minimal Guidance
a. Safety/Quality: Integrate nursing care using evidence-based practice to promote safety and quality for patients, self and others			X
b. Communication: Communicate and collaborate effectively with patients, family, and members of the interdisciplinary team in various healthcare settings. (SBAR, Documentation, patient advocacy)		X	
c. Clinical judgement: Integrate use of current evidence-based practice and clinical competence when making clinical decisions in the provision of patient centered care. (Clinical Judgement model)		X	
d. Patient centered care: Integrate nursing care for patients from diverse backgrounds based on patient age, culture, values, and educational needs.		X	
e. Professionalism: Integrate knowledge, skills, and attitudes required of the professional nurse, embracing lifelong learning to improve the quality of healthcare.			X

2. What do you think are the student's personal strengths?

Victoria is always eager to learn and asks questions. She is very caring & compassionate with all patients & families. She is always willing to help others & looks for opportunities to learn.

3. What have you identified as an opportunity for improvement for the student?

She needs to continue to work on time management & with charting in Epic and work on confidence in communicating with providers and families.
