Teaches principles of cost-appropriate care (resource utilization, etc.)	1 2 3 4 5

1. What did you like best about your preceptor?

I appreciate my preceptor's patience and willingness to teach. She has a strong work ethic. Whenever there is a problem, she is quick to the scene and able to adjust her approach to the patient.

2. Do you have any suggestions for your preceptor to consider when working with future students?

I don't have any suggestions.
