

Answer the following questions using your Introduction to Radiography textbook chapter 14, the ARRT website, and PowerPoint.

General ARRT Information

1. What is the ARRT's mission and purpose?
 - a. Mission: To promote safe, high-quality patient care through credentialing, collaboration, and advocacy.
 - b. Purpose: Exceptional patient care for all, provided by qualified medical imaging and radiation therapy professionals.
2. Where is ARRT headquarters located? 1255 Northland Drive in St. Paul, Minnesota
3. When was ARRT organized and by whom?
 - a. When (date): 1922
 - b. Who: American Roentgen Ray Society (ARRS) and Radiological Society of North America (RSNA)
4. What are the three areas of requirements necessary for ARRT?
 - a. Education
 - b. Ethics
 - c. Examination
5. What is the total score necessary to pass the ARRT registry exam? 75
6. What are the two educational requirements needed to qualify for the registry?
 - a. Associates degree
 - b. Complete ARRT approved education program in the discipline/pathway being pursued
7. Candidates are allowed how many testing attempts within how many years? 3 attempts within a 3-year period
8. What is the type of examination and the cost once you have completed the program?
 - a. Primary pathway: Radiography
 - b. Cost: \$225
9. What is the total number of questions given on the registry exam? 230
 - a. Of those questions, how many will be scored? 200
10. List the possible question formats you will find on the ARRT exam?
 - a. Standard multiple choice
 - b. Combined response
 - c. Negatively worded
 - d. Select multiple
 - e. Illustration
 - f. Hot area (exhibits)
 - g. Sorted list
 - h. Video

Post-Examination

1. What do the following credentials **R.T.(R)** represent? Registered Technologist in Radiography
2. How often will you be required to renew your licensed credentials? Annually
3. How long is the biennium period and how many CEUs are required for compliance?
 - a. Biennium length: 2-year basis
 - b. Number of CEUs: 24 credits
4. All reported CEUs must be category___ and relevant to___.
 - a. Category Type: Category A (or category A+)
 - b. Subject relevancy: Credits must be educational activities relevant to the radiologic sciences or patient care.
5. What happens if you are found noncompliant for CE credits? The technologist is considered to be on CE probation and will receive a registration card with the probation status shown. Probation status is granted for only 6 months of the next biennium, and if compliance does not occur within the 6-month period, the individual is considered no longer registered by ARRT. The technologist must submit a CE probation report form along with a \$50 fee. Once compliance is confirmed, CE probationary status will be removed from certification.
6. What does CQR stand for? Continuing Qualifications Requirement (CQR)
7. How often and who must take the CQR?
 - a. Every 10 years
 - b. Everyone credentialed after January 1, 2011.
