

Answer the following questions using your Introduction to Radiography textbook chapter 14, the ARRT website, and PowerPoint.

## General ARRT Information

1. What is the ARRT's mission and purpose?
  - a. Mission: To promote safe, high quality patient care through credentialing, collaboration, and advocacy
  - b. Purpose: Exceptional patient care for all, provided by qualified medical imaging and radiation therapy professionals
2. Where is ARRT headquarters located? St. Paul, Minnesota
3. When was ARRT organized and by whom?
  - a. When (date): 1922
  - b. Who: members of the RSNA and ARRS
4. What are the three areas of requirements necessary for ARRT?
  - a. education
  - b. ethics
  - c. examination
5. What is the total score necessary to pass the ARRT registry exam?
  - a. 75
6. What are the two educational requirements needed to qualify for the registry?
  - a. Associates degree
  - b. ARRT accredited approved program
7. Candidates are allowed how many testing attempts within how many years?
  - a. 3 testing attempts in 3 years
8. What is the type of examination and the cost once you have completed the program?
  - a. Primary pathway: radiography
  - b. Cost: \$225
9. What is the total number of questions given on the registry exam? 230
  - a. Of those questions, how many will be scored? 200
10. List the possible question formats you will find on the ARRT exam?
  - a. Standard multiple choice
  - b. Combine response
  - c. Negatively worded
  - d. Select multiple
  - e. illustration
  - f. Hot area
  - g. Sorted list
  - h. video

## Post-Examination

1. What do the following credentials **R.T.(R)** represent?
  - a. Registered Technologist Radiographer
2. How often will you be required to renew your licensed credentials?
  - a. Once a year
3. How long is the biennium period and how many CEUs are required for compliance?
  - a. Biennium length: 2 years
  - b. Number of CEUs: 24 credits
4. All reported CEUs must be category\_\_\_\_ and relevant to\_\_\_\_.
  - a. Category Type: A or A+
  - b. Subject relevancy: radiologic sciences or patient care
5. What happens if you are found noncompliant for CE credits?
  - a. They are put on CE probation and will have 6 months of the next biennium to complete them. If they don't, they will no longer be registered by the ARRT.
6. What does CQR stand for?
  - a. Continuing Qualifications Requirement
