

Answer the following questions using your Introduction to Radiography textbook chapter 14, the ARRT website, and PowerPoint.

General ARRT Information

1. What is the ARRT's mission and purpose?
 - a. Mission- To promote safe, high-quality patient care through credentialing, collaboration, and advocacy.
 - b. Purpose- Exceptional patient care for all, provided by qualified medical imaging and radiation therapy professionals
2. Where is ARRT headquarters located?
1225 Northland Drive
St. Paul, MN 55120-1155
3. When was ARRT organized and by whom?
 - a. When (date): 1922
 - b. Who: Radiological Society of North America (RSNA) and American Roentgen Ray Society (ARRS)
4. What are the three areas of requirements necessary for ARRT?
 - a. Ethics
 - b. Education
 - c. Examination
5. What is the total score necessary to pass the ARRT registry exam? 75
6. What are the two educational requirements needed to qualify for the registry?
 - a. Associate Degree
 - b. ARRT approved educational program
7. Candidates are allowed how many testing attempts within how many years?
3 attempts during your three years of eligibility
8. What is the type of examination and the cost once you have completed the program?
 - a. Primary pathway: Radiography
 - b. Cost: \$225
9. What is the total number of questions given on the registry exam? 230
 - a. Of those questions, how many will be scored? 200
10. List the possible question formats you will find on the ARRT exam?
 - a. Multiple choice
 - b. Combined response
 - c. Negatively worded
 - d. Select multiple
 - e. Illustration
 - f. Hot area
 - g. Sorted list
 - h. Video

Post-Examination

1. What do the following credentials **R.T.(R)** represent? Registered Technologist Radiography
2. How often will you be required to renew your licensed credentials? Once a year
3. How long is the biennium period and how many CEUs are required for compliance?
 - a. Biennium length: 2 years
 - b. Number of CEUs: 24 credits
4. All reported CEUs must be category____ and relevant to____.
 - a. Category Type: A or A+
 - b. Subject relevancy: Relevant to Radiologic Science or patient care
5. What happens if you are found noncompliant for CE credits? You are put on CE probation
6. What does CQR stand for? Continuing Qualifications Requirements
7. How often and who must take the CQR?
 - a. 10 years
 - b. Licensed ARRT who are not grandfathered in
