

Answer the following questions using your Introduction to Radiography textbook chapter 14, the ARRT website, and PowerPoint.

General ARRT Information

1. What is the ARRT's mission and purpose?
 - a. Mission **The mission of the ARRT focuses on quality patient care in imaging, interventional procedures, and radiation therapy**
 - b. Purpose **Exceptional patient care for all, provided by qualified medical imaging and radiation therapy professionals.**
2. Where is ARRT headquarters located? **1255 Northland Drive St. Paul, Minnesota 55120-1155**
3. When was ARRT organized and by whom?
 - a. When (date): **1922**
 - b. Who: **Radiological Society of North America (RSNA) and American Roentgen Ray Society (ARRS) worked together to establish the ARRT**
4. What are the three areas of requirements necessary for ARRT?
 - a. **education**
 - b. **ethics**
 - c. **examination**
5. What is the total score necessary to pass the ARRT registry exam? **75**
6. What are the two educational requirements needed to qualify for the registry?
 - a. **Associates degree**
 - b. **Educational program (ARRT)**
7. Candidates are allowed how many testing attempts within how many years? **Candidates are allowed three attempts to pass an exam, and they must complete the three attempts within a three-year period that begins the initial ARRT examination window start date**
8. What is the type of examination and the cost once you have completed the program?
 - a. Primary pathway: **Radiography**
 - b. Cost: **\$225**
9. What is the total number of questions given on the registry exam? **230**
 - a. Of those questions, how many will be scored? **200**
10. List the possible question formats you will find on the ARRT exam?
 - a. **Standard multiple choice**
 - b. **Combined response**
 - c. **Negatively worded**
 - d. **Select multiple**
 - e. **illustration**
 - f. **hot area**
 - g. **Sorted list**
 - h. **video**

Post-Examination

1. What do the following credentials **R.T.(R)** represent? **Registered technologist in radiography**
2. How often will you be required to renew your licensed credentials? **annually**
3. How long is the biennium period and how many CEUs are required for compliance?
 - a. Biennium length: **2 years**
 - b. Number of CEUs: **24**
4. All reported CEUs must be category____ and relevant to____.
 - a. Category Type: **A or A+**
 - b. Subject relevancy: **radiological sciences/ patient care**
5. What happens if you are found noncompliant for CE credits? **You go on “CE Probation” status, Only lasts 6 months of next biennium to be compliant, Must submits CE probation report form along with \$50 fee, Once compliance is confirmed, CE probationary status will be removed from certification. The ARRT revokes registration if you are still noncompliant.**
6. What does CQR stand for? **Continuing Qualification Requirements**
7. How often and who must take the CQR?
 - a. **Every 10 years**
 - b. **It’s a process that R.T.s with time-limited certifications must complete every 10 years to identify gaps in their professional skills and knowledge.**
