

Remediation Steps:

There are **4** parts to the Remediation process

- 1. Essential Packets-** Based on HESI score, students will have assigned essential packets to complete. These will be done in conjunction with your “Remediation-Topic Take Away” forms. These are to be printed and completed hand-written.

Scores 800-849 are required to complete 5 “Remediation-Topic Take Away” forms

Scores 750-799 are required to complete 10 “Remediation-Topic Take Away” forms

Scores 749 or < are required to complete 15 “Remediation-Topic Take Away” forms

These are due 02/26/26 @ 2359 prior to taking V2 exam

- 2. Case Studies-** each remediation plan will have case studies to be completed. Students are required to score 80% or higher

If you have already completed case studies, **REDO** them and ensure you have needed score

Takeaway forms can be completed with these case study items as well

- 3. NGN Weakest Skills**

Simply open suggested areas and read these

- 4. NGN Practice on all skills**

Just like NGN Weakest Skills, open suggested areas and read these suggestions to focus on moving forward

After completion of necessary “Remediation-Topic Take Away”, you will scan items and upload to Dropbox “HESI Remediation (OB/Mental Health) Dropbox

You will receive the HESI Conversion Score percentage in the gradebook.

Example:
