COVENANT MEDICAL LIBRARY

[Ask Your Medical Librarian](#)

The Covenant Medical Library provides evidence-based online and print resources for use by Covenant Health System physicians, nurses, allied health staff, students and employees. It is located on the first floor of Covenant Medical Center West. Services provided include: literature searches, interlibrary loan/document delivery, instruction in searching and evaluating and consumer health. For password access to electronic resources from locations outside the Library, please contact the Medical Librarian – see Information below.

[Library Catalog](#) - The catalog allows searching for journals, books and DVD/CDs held by the Library.

The library provides access to:

Online resources by title:

- [A to Z Online Journals](#) - This is an alphabetical listing of online Journals available through the Library with links to the fulltext articles.
- [Anatomy TV](#) - Human anatomy in 3D interactive models, which allow one to zoom, rotate and peel away layers. Includes

LIPPINCOTT PROCEDURES – LIBRARY RESOURCE

- Instructions on How to do Skills
- Review before the scheduled lab, skills, and Labs for 1300 – in the classroom
- Skills labs for 1301 – SIM Center
 - * Skills videos are located in LMS>Lessons>CSON LAB Schedules/Quizzes/SIM Skills Videos

THE NEXT 14 WEEKS

- Bring a laptop for practice questions and activities in class.
- Seating assignments - first day
- Calendar
- Theory
- Collaborative Learning Quizzes (if time allows)
- Six (6) Unit Exams (80 content questions)
- Two (2) Dosage Calculation exams (must make an 85%) .
- Labs: Pedi, OB, & MH
- Out of Class Assignments (on 1300 RN Bridge 2026 Assignments Sheet)
- Mandatory Live Hurst Review (during week 13)
- Study, study, study

This is a very busy course. You must actively study and work on assignments. **Do NOT fall behind!**

1. Remember the “Confidentiality Statement” form you signed and adhere to the “Honor Code.”
2. The collaborative learning **test time will be limited**
3. **NO CELL PHONES OR SMART WATCHES!** Place these electronic devices in your backpacks.
4. **NO** pens, pencils, or paper needed. Faculty will supply what you need.
5. Faculty will assign groups of three per table.
6. One paper test, one answer sheet, and one pen will be provided by faculty.
7. Students may use their laptop to access PowerPoints.
8. Students may use their textbooks and notes.
9. Students are to collaborate within the assigned group only!
10. **NO NOTE TAKING OR MARKING IN BOOKS ALLOWED!** If students are observed taking notes, they will be excused from the room and will receive a corrective action according to policy. A second corrective action is grounds for dismissal from the program.
11. When you complete the “Collaborative Learning” activity raise your hand and faculty will collect the paper test and pen. Keep the noise level to a minimum.
12. The instructors reserve the right to end the “Collaborative Learning” activity at any time if students do not comply with the guidelines.

ATTENDANCE

- Students are allowed **three (3) absences**
- A student may miss only **one (1) clinical (lab) day but must get with faculty for a review.**
- **Any subsequent clinical (lab) absences will result in failure of course even if their total absences do not exceed three (3) days of absences.**
- **Three (3) tardies = an absence**
- Attendance is taken daily and maintained in Empower
- Dr. Smith will keep track of attendance, absences, & tardies
- Please notify both of us if you will not be attending class
- Keep track of your absences and tardies and verify in Empower
- Be on time for class and labs.
- ****Notification from Mrs. Milam when you have 2 or 3 absences.**

Discussed in pre-orientation– Refer to the student handbook!

NONDISCRIMINATION CONDITIONS

Students are not required to inform CSON or faculty of any medical conditions unless the student is needing exemptions or modifications for any of the following:

- Relating to pregnancy
- Relating to medical conditions
- Relating to medical devices

Pages 62-63
Pages 67-68
of the
Student Handbook

•The student with said conditions, will need to talk to the Student Services Coordinator, Mrs. Milam.

Discussed in pre-orientation– Refer to the student handbook!

COVID GUIDELINES

- If you have been exposed to someone with (+)COVID or are sick and test positive for COVID, you must notify me (Mrs. McWilliams) immediately.
- I will forward the information to Dr. Jennifer Timmerman - Dean. She will contact you by phone and instruct you on what must be done.

Discussed in pre-orientation– Refer to the student handbook!

WEATHER POLICY

- If LISD delays school, CSON will delay theory & labs for same amount of time
- If LISD cancels school, CSON will cancel class and Lab, we will use a weather makeup day if needed.
- Check LMS for detailed instructions from Mrs. McWilliams
- Everbridge (call/text system) will be utilized for cancellations
- You **must** reply to the Everbridge alert.

RETENTION SPECIALISTS

- See Retention Specialists if needed
 - Make an appointment via email through LMS, with Mrs. Jeanette Gurley office #187
- Last day to withdraw is posted on the calendar in week 11.
 - Mrs. McWilliams and Dr. Smith will meet with you if your grade is 77% or lower.
- Be ready for a busy module!!
- Don't fall behind!
- Be prepared before class!!
- Study, study, study

GRADES

Unit Theory Exam	
75%	Six (6) Unit Exams Each exam is an 80-item exam taken in the LRC
The six (6) unit exams must average 75% (no rounding) before other grades are added for a final course grade.	
Other Course Graded Items Value (weight: 25% of final Course Grade)	
15%	HESI practice exams (average of 5 HESI assigned exams)
5%	Dosage Calculation 1
5%	Dosage Calculation 2
<i>Final Grade Calculation:</i> Total exam grades average as defined in criteria = 75% of final grade	
Other graded items = 25% of final grade	
Grading Scale	0-100 = <u>A</u> 80-89 = B 75-79 = C Less than 75 = F

Refer to the course syllabus

EXAMS/TEST REVIEWS

- Be on time
- **No items** permitted in LRC during testing
 - Leave cell phones, purses, backpacks, & valuables in the classroom
- **NO SMART WATCHES, SMART GLASSES, OR HATS!!**
- Pencil & scratch sheet of paper will be provided
- Test times of exams per course calendar (exams are in LRC)
- Seating is randomized by instructors
- Reviews will immediately follow the exam in the LRC.

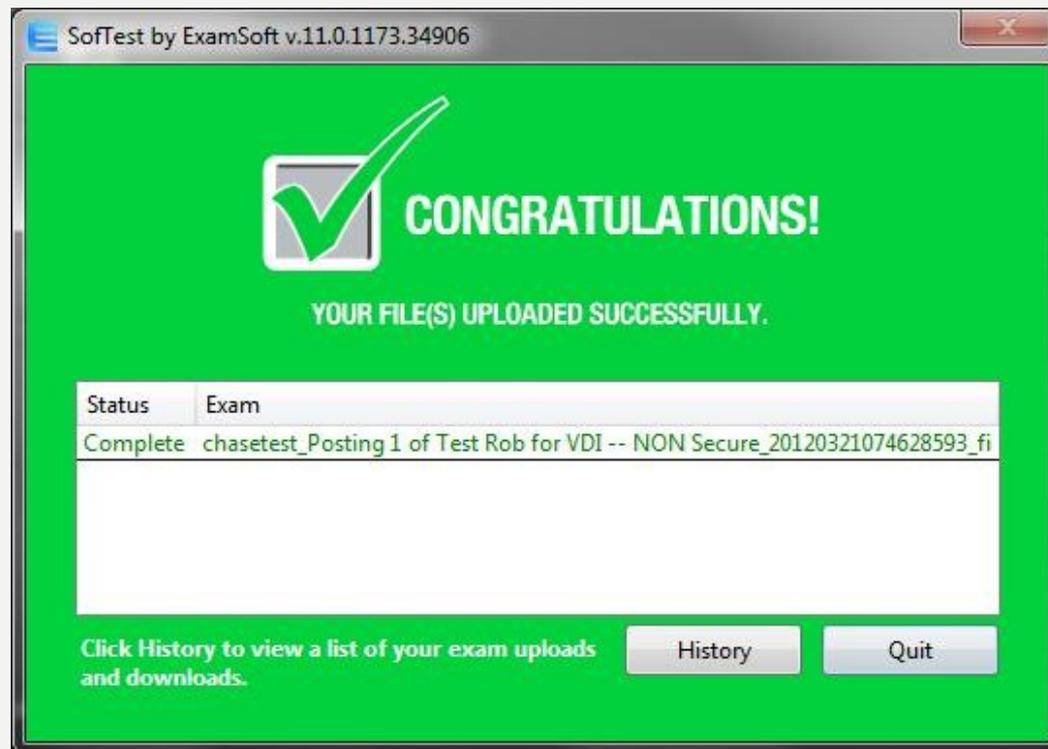

WHAT HAPPENS IF I'M LATE OR MISS AN EXAM?

- “If the student arrives after the start of an exam, the student will be admitted to the exam and will receive a tardy. No additional time will be allowed for the exam.”
- Updated policy emailed to all students 01/07/26
- Missed theory, dosage calculation, or HESI/ATI exams must be taken on Friday@0800 of the same week. (*Exception: IM8 or RN Bridge Track students missing an exam must test within seven days of the original testing date.)
- Students who miss an exam will have a 5-point deduction and will receive an absence.
- IM8 and RN Bridge Track students who do not test within one week of the original testing date will be required to reschedule testing using the QR code posted on the homepage of the LMS. (i.e. If an exam is missed on a Wednesday, it must be made up no later than the following Tuesday.) A 5-point deduction will be assessed to exceed the 7-day requirement.

Discussed in pre-orientation– Update Attendance Policy

WHAT HAPPENS IF I FORGET TO UPLOAD MY EXAM?

- Failure to close and upload your exam will result in a **5-point deduction on the exam.**
- When you upload you will see this screen in ExamSoft

EXAMSOFT USERNAME & PASSWORD

- Memorize, memorize, memorize
- I've provided you with a clear ID badge sleeve with a card to write down your usernames and passwords.
- **One point deduction** for not knowing your ID Number

ELSEVIER EVOLVE

- Once you have created your username & password, **always sign in with username & password only!**
- **Do not use the “Send Passcode & Magic Link”**
