**Comments**

**I didn't ask any interview questions; I went straight into the report.**

**I forgot to mention the 4:4 fit during the intro, and only talked about it after the personality section**

**I wasn't sure how to bring this up, I mentioned it, but didn't really talk about it. Especially since she was in midrange for 4/6 of her factors**

**I'm not sure the homework was strong enough**

I didn't give examples

I was tired at this part...and felt like I rushed through it.

I didn't have access to the Action Plan online, so we did a sketch
