**Comments**

Excellent job shading the Interests areas to show that the student's interest/occupational pathways were

Didn't mention Holland specifically, but it wasn't necessary to do so.

Very strong engagement with both the parents and student regarding the array of occupations available in

Very appropriate question regarding why faith in God was so much lower in the report.

We probably need an electronic tool to properly synthesize, but Sue did provide an appropriate overview

Loved that Sue did exert the option to be a leader now and not only in the future.

Sue was engaging, supportive and professional

e clearly in the realistic realm
