

Bio

It is my mission to help young people be more aware of how they were uniquely designed by God. My hope and prayer that after the Yes! assessment and consultation, students will see a clearer path for next steps in their education and beyond.

Married to Lisa for 34 years.

More than 25 years of frontline supervision in the Electric Utility industry.

Associates Degree in Electrical Engineering Technology - Penn State

Certified Career Direct Consultant.

Trainer - Foundations for Farming and The Well-Watered Garden Project

Services Rendered

Yes! Assessments & Consultations for ages 12-16 years old.
