

Ivy Anan Mawuko
YES! Consultant

Ivy is a talented Career Advisor with expertise in helping unemployed individuals, youth and college graduates find a deeper understanding of who they are, how they are designed for peculiar jobs and support them to begin the journey of self-discovery and career pathway so that they can excel.

My motivation is drawn from over 20 years in the field of learning and development, I interacted with employees who desire to change their careers or feel they may be in a wrong job. Looking back, some of them may have had a faulty foundation when choosing a career and I want to be able to support young people find and discover what they were made for, with a combination of their personality, interest, skills and priorities.
