2. For grade 11 you can choose your subjects from the Business Stream. This will prepare you for the Enterprising career directions. The Artistic directions will then also be available.
3. Continue developing your creative skills (music, writing etc). At school, enrol for activities in these areas.

4. Continue using the Interactive Worksheet from time to time to investigate specific careers that you are interested in. The above themes mentioned can help you to get going with this. Remember to always evaluate how a career will align with your personality, interests, skills and priorities.
5. Go and shadow someone in a career that you are interested in during your holidays.
6. At the end of grade 11 or beginning of grade 12 you can take a Career Direct Assessment for decisions about a specific career.

HAVE FUN WITH THE ABOVE!!!!
