

Recomdations I have made to Angelo, is that he must work through the Holland Pathway under Social, that is his Highest Interest, to see if there is not another Career in that arae that he would like to pursue.

I also recomend that he look at his first 5 Activey groups and that will fullfill him as a person. Some as a career and some of Hobbies

Commumity/Faith

Councelling ental health

Cullary Food

Agriculture

Education/Training
