

Regarding: David Tomko, age 15

We are excited that your child will be completing the YES! assessment! Please answer the following questions below. Feel free to get your child's input. Please return the completed questionnaire to your child's Consultant/Facilitator 24 hours before their meeting (unless they have indicated a different time). Thank you!

What is your child's favorite school subject(s)?

David likes sports, gym, art, and JROTC and usually does well in science and Latin.

What is your child's least favorite school subject(s)?

History, although he's doing well in the class. He doesn't like reading very much.

What school subject(s) do/does your child find it easy to learn about?

He always does pretty well in math and writing assignments.

What school subject(s) do/does your child struggle to understand the most?

Any excess reading. He feels he's a slow reader and doesn't enjoy it much.

What activities and/or careers has your child expressed an interest in, either verbally or through what they

like to do/play?

He loves Parkour and teaches a little Ninja class. He has mentioned opening a gym someday. He also mentioned learning enough construction to flip houses. He has mentioned a military path also.

What natural skills have you seen displayed in your child?

People like and are drawn to David and he genuinely likes people. He has very healthy relationships. He's recently become interested in politics and I've always said he could be a mayor if he was so inclined.

What would you like to see as an outcome of your child's participation with YES!? Check all that apply.

Affirmation of their unique design

Increased self-awareness

Greater understanding of people around them

General guidance for potential Interests to explore

Specific guidance for subjects and/or careers for focus

(All of the above)

Is there anything else you would like to share with us about your child?

David is the youngest of 4 and very easy-going and caring. He was homeschooled until this year and liked that, but is very social and is enjoying public school. He's in all honors classes and faces challenges well.
