

We are excited that your child will be completing the YES! assessment! Please answer the following questions below. Feel free to get your child's input. Please return the completed questionnaire to your child's Consultant/Facilitator 24 hours before their meeting (unless they have indicated a different time). Thank you!

What is your child's favorite school subject(s)? Math and History

What is your child's least favorite school subject(s)? Writing and Biology

What school subject(s) do/does your child find it easy to learn about? History

What school subject(s) do/does your child struggle to understand the most? The mechanics of writing, Abrielle prefers to just free write.

What activities and/or careers has your child expressed an interest in, either verbally or through what they like to do/play? Abrielle really enjoyed being on the Cyberpatriot team this past Fall and she has expressed interest in the Computer Science field.

What natural skills have you seen displayed in your child? Abrielle has always had a natural ability in figuring out complex word problems. She enjoys doing deductive logic math puzzles, critical thinking skills work, or anything that she is able to put the pieces together. Abrielle is great with technology, she is able to navigate through different computer systems naturally and has a knack for understanding how they work.

What would you like to see as an outcome of your child's participation with YES!? Check all that apply.

Affirmation of their unique design

Increased self-awareness

Greater understanding of people around them

- General guidance for potential Interests to explore
- Specific guidance for subjects and/or careers for focus

Is there anything else you would like to share with us about your child? I think Abrielle's interest in computer science is the right direction for her to explore. Whatever Abrielle chooses for a career path I know she will be great at it.
