### Introduction

Whether you're a student figuring out your career path, a professional in transition, or an executive seeking greater fulfilment, finding the optimal career fit can be challenging and even overwhelming.

As a life coach and consultant, I'm passionate about helping people like you unlock your full potential and step into careers that reflect your unique God-given design, purpose and calling. My approach blends years of experience in leadership, transformation, and personal growth to help you align your career with your personality, interests, skills and values.

### Credentials

- Executive MBA (Strategic Management & Business Transformation) – Henley Business School
- B.Mil (Management) - UNISA
- Distinguished Military Career in the South African Navy in Executive and Command appointments
- Extensive experience in business leadership at Executive and Director levels.

- Specialist in business turnaround strategies, leadership development, and team transformation
  - Public & Motivational Speaker
  - Certified Life & Business Coach
- 

## Mission Statement

My mission is to empower individuals to discover and pursue authentic career paths by aligning their personality, interests, skills, and values. I believe each person is uniquely designed with a God-given purpose and calling, and my goal is to help them unlock that potential through Career Direct's scientifically validated assessments and faith-based guidance.

Whether guiding executives, professionals, or students, I am committed to equipping them with the knowledge and tools to make informed, purpose-driven career decisions and create a lasting impact in their workplaces and communities.

## Specialty Details

### Executive Leadership Development

I partner with executives to enhance leadership effectiveness and organisational impact. Using Career Direct assessments, I align leadership styles with organisational goals while optimising team dynamics and personal influence.

### Career Direct

For students, professionals, and career changers, I provide structured guidance through Career Direct's assessment system to identify strengths and create actionable career plans. My military and business background offers unique insights for successful career transitions.

### Personal Growth and Development

Through Career Direct's insights into Godly design, I help individuals build self-awareness and interpersonal effectiveness. As a certified coach, I support the development of essential qualities for professional success.
