Career Changers College/ New Grads  
Personal Development & Growth

## Introduction

I am passionate about supporting and empowering individuals to make informed decisions about their careers and their lives. Having personally navigated challenges in these areas, I bring a unique perspective and empathy to my work. I am committed to helping my clients build confidence in making informed choices.

---

## Credentials

## Mission Statement

To empower individuals to make informed and confident career choices by understanding their personality, interests, skills and values.

## Specialty Details

I specialize in helping people, no matter their age or situation to make informed career and life choices whether they are just starting a career, they want to change their career, or if they just want to understand their design better.
