Introduction

I am a Registered Educational Psychologist with the Health Professions Council of South Africa (HPCSA), dedicated to helping individuals unlock their full potential. With a strong background in psychology and education, I am passionate about guiding people through their personal and professional growth journeys.

I believe that career assessment is a powerful tool in shaping a fulfilling and successful future. Whether you're a student exploring subject choices, a young adult navigating career decisions, or a professional seeking a career change, I provide personalized career guidance based on scientifically grounded assessments.

Through a holistic and supportive approach, I help individuals gain clarity on their strengths, interests, and opportunities. My goal is to empower you with the insights and confidence needed to make informed career decisions that align with your unique abilities and aspirations.

Let's work together to find the path that's right for you!
