### Introduction

Hi, I'm Nadia a certified Career Direct Consultant passionate about helping people discover their unique design and align it with meaningful career choices. Using a proven, biblically-based assessment tool, I guide individuals through a personalized consultation process that uncovers their strengths, interests, personality, and values. Whether you're a student choosing subjects, a young adult exploring options, or someone seeking a career shift, I'm here to help you gain clarity and confidence in your next steps

### Credentials

Certified Career Direct Consultant

Bachelor's Degree in Education

Over 10 years of experience as a teacher, supporting students in their personal and academic development

### Mission Statement

I believe every student is created with purpose. My mission is to help them discover God-given strengths and direction using the Career Direct assessment, so they can walk boldly into the future He's prepared for them.
