

Session Five:

1. What is the choice you have to make? To base your choices on faulty foundations or on Biblical principles that will stand the test of time.
2. If you plan to base your decision on the authentic principles, there's a practical assessment to help you!
3. Hope was a student getting ready to go to college. She wanted to become a Veterinarian.
4. Her unique design indicated that being an animal behavioral training would be a better fit.
5. Taking the Career Direct assessment can help you follow Design for your career so that you can live in God's alignment.
