

Matt Winter

First Student Recommendations

for

Jed Kubenk

DOB: 16/6/2009

(Sunday 29/6/2025)

Based on Jed's:

1. High PERSONALITY scores for 'Unstructured', 'Adventurous', 'Authoritative', 'Compassionate' and 'Outgoing'.
2. High INTERESTS and SKILLS/ABILITIES scores in 'Marketing/Sales', 'Business Management' and 'Business Administration', along with high priorities of 'Challenge', 'Adventure/Risks', 'Variety', '

I recommended that Jed consider a sales/marketing job with a company that is doing something he is already genuinely passionate about (eg. Specialized Mountain Bikes because Jed is really into Mountain Biking :) I suggested that a diverse, up-front, people-helping job would suit Jed based on his profile as outlined in his YES! Detailed Report. He confirmed that he would be interested in something like this as a future role.

Jed had also expressed interest in completing qualifications to work in the field of Prosthetics and Orthotics and consequently his Exploration Target was completed based on this possible future occupation.

Jed (and his parents), confirmed that they had discussed Jed using this skill set to help others in an international mission setting, possibly aboard Mercy Ships <https://mercyships.org.au/> . This role also aligned with Jed's keenness to 'Help Others', 'Travel Opportunities', 'Adventure', 'Daring' and his 'Unstructured', 'Spontaneous' personality.

Every day working in the Prosthetics and Orthotics field on the mission-based Mercy Ships would tick a lot of boxes for Jed regarding his future occupation (as indicated by the completed Exploration Target).
