Introduction

In my life journey I have been exposed to different people of different cultures. I love to see the unique way that God has created all of us. Each person with his/her own personalities, interests, skills and value systems. Career Direct came on my path and I was overjoyed to see an assessment that can assist someone to navigate them more purposefully in their life journey. Allow me to inspire you to see that Godly design more clearly in your life!

Credentials

I matriculated in Wellington at Huguenot High School. I studied a 2 year HND in Leicester, England in Footwear design and technology. (Awarded Student of the year in both years)
More than 20 years in the footwear industry
More than 16 years involved in music ministry

Qualified Sports Chaplain
Actively playing cricket (Boland over 40 manager/player)

Mission Statement

My mission is to assist you, to inspire, motivate and encourage you to better equip you to navigate through your life journey.

Specialty Details

I was involved in full time music ministry for 10 years. During this time, I led music for women's events, men's events, youth events and Namibia outreaches with my good friend, Dr. Des Sinclair. The events that excited me the most are the inter-denominational events where Christians from all types of denominations gather together. My involvement in music has exposed me to many different scenarios in working with all kinds of personalities.
My involvement in business has given me a passion for Market place ministry. I was involved for a while in the Transformation movement under Ed Siloso. This movement taught me to bless that which God has created. It also taught me that the Market place is a big part of God's Kingdom.
My involvement with sport has exposed me to ministering to especially rugby players. This led me to do a course in Sport Chaplaincy. I have a passion for sport and I am still an active cricket player.
