**1** The most accurate way to determine your Federal, State and Other tax withholdings is to check your last Federal and State tax returns.

**2** In some cases earned income credit (EIC) will apply. It may be possible to increase the number of deductions to lessen the amount of tax paid per month. Review the last tax return for specific information.

**3** This category is used for long-term investment planning, such as college education or retirement.

**4** This category is added as a guide only. If you have this expense, the percentage shown must be deducted from other budget categories.
