ACTION PLAN

Have you ever heard the saying, "If you fail to plan, you plan to fail"? This colloquialism contains a great deal of truth. Career Direct has developed this Action Plan to take all the "pieces of the puzzle" and utilize them in building a plan toward success — not worldly success, but success in the eyes of the Creator. He gave you these pieces so that you can live — and work — in your design.

ACTION PLAN OVERVIEW

ACTION PLAN OVERVIEW

MOVING FROM POINT A TO POINT B

The Action Plan provides a systematic method of compiling and comparing the most important factors in career decision making. It will move you from merely reading your assessment results to making career decisions. It will help you realize the relationship between the characteristics and requirements of a particular occupation and your unique design. This process can be used over and over again throughout your work life.

Your commitment to complete this Action Plan and act on it will determine the ultimate benefit you receive from the Career Direct process.

Your Top 8 Interests are currently listed below in the Supporting Circle.

1. Click and drag each interest area that you think you would like to be the main focus of your career into the inner circle, the Vocational circle.
2. Click and drag any interest to the outside margin area that is a Lifestyle/Hobbies interest - those items, that you do not want to be any part of your workday.
3. The Supporting section should now have all those interests that you would like to be a part of what you do, but they aren't the focus of your work. BRAINSTORMING OCCUPATIONS

1. Add and delete any suggestions in the outer ovals as needed, keeping them connected to the appropriate Vocational interest group. Your goal is to have a comprehensive list of occupations for researching as you evaluate their fit for your design.
2. As you add careers that fit your “Vocational”, remember to keep in mind your Supporting interests. Doing so may help you eliminate some of the careers you are considering. If a career doesn’t encompass your Supporting interest(s) as much as other careers you are contemplating, you may choose to eliminate it.
