

Budget Coach Training Course Video Links

Crown Financial Ministries is sharing these links for your future access to the *Dig Deeper* videos, since they are not downloadable from the website. These videos are intellectual property of Crown that you have access to because they paid for the Budget Coach Training course. Your client also has access (except to the S.A.L.T. Plan), available upon request when they have faithfully completed the course. No one should **share these links** with others without specific permission from Crown Financial Ministries, and should **never charge** for video viewing. The Contact Us section of the main website can be used to request permission. Be prepared to tell us which videos you want to share, your audience size, and your purpose.
