# Image Bearers of God

---

- *Human beings reflect the image of God, setting us apart from the rest of His creation.*
  - Cognitive Ability
  - Moral Creatures – right & wrong
  - Dominion -- Stewardship
  - Relationship -- Love God, Love your neighbor

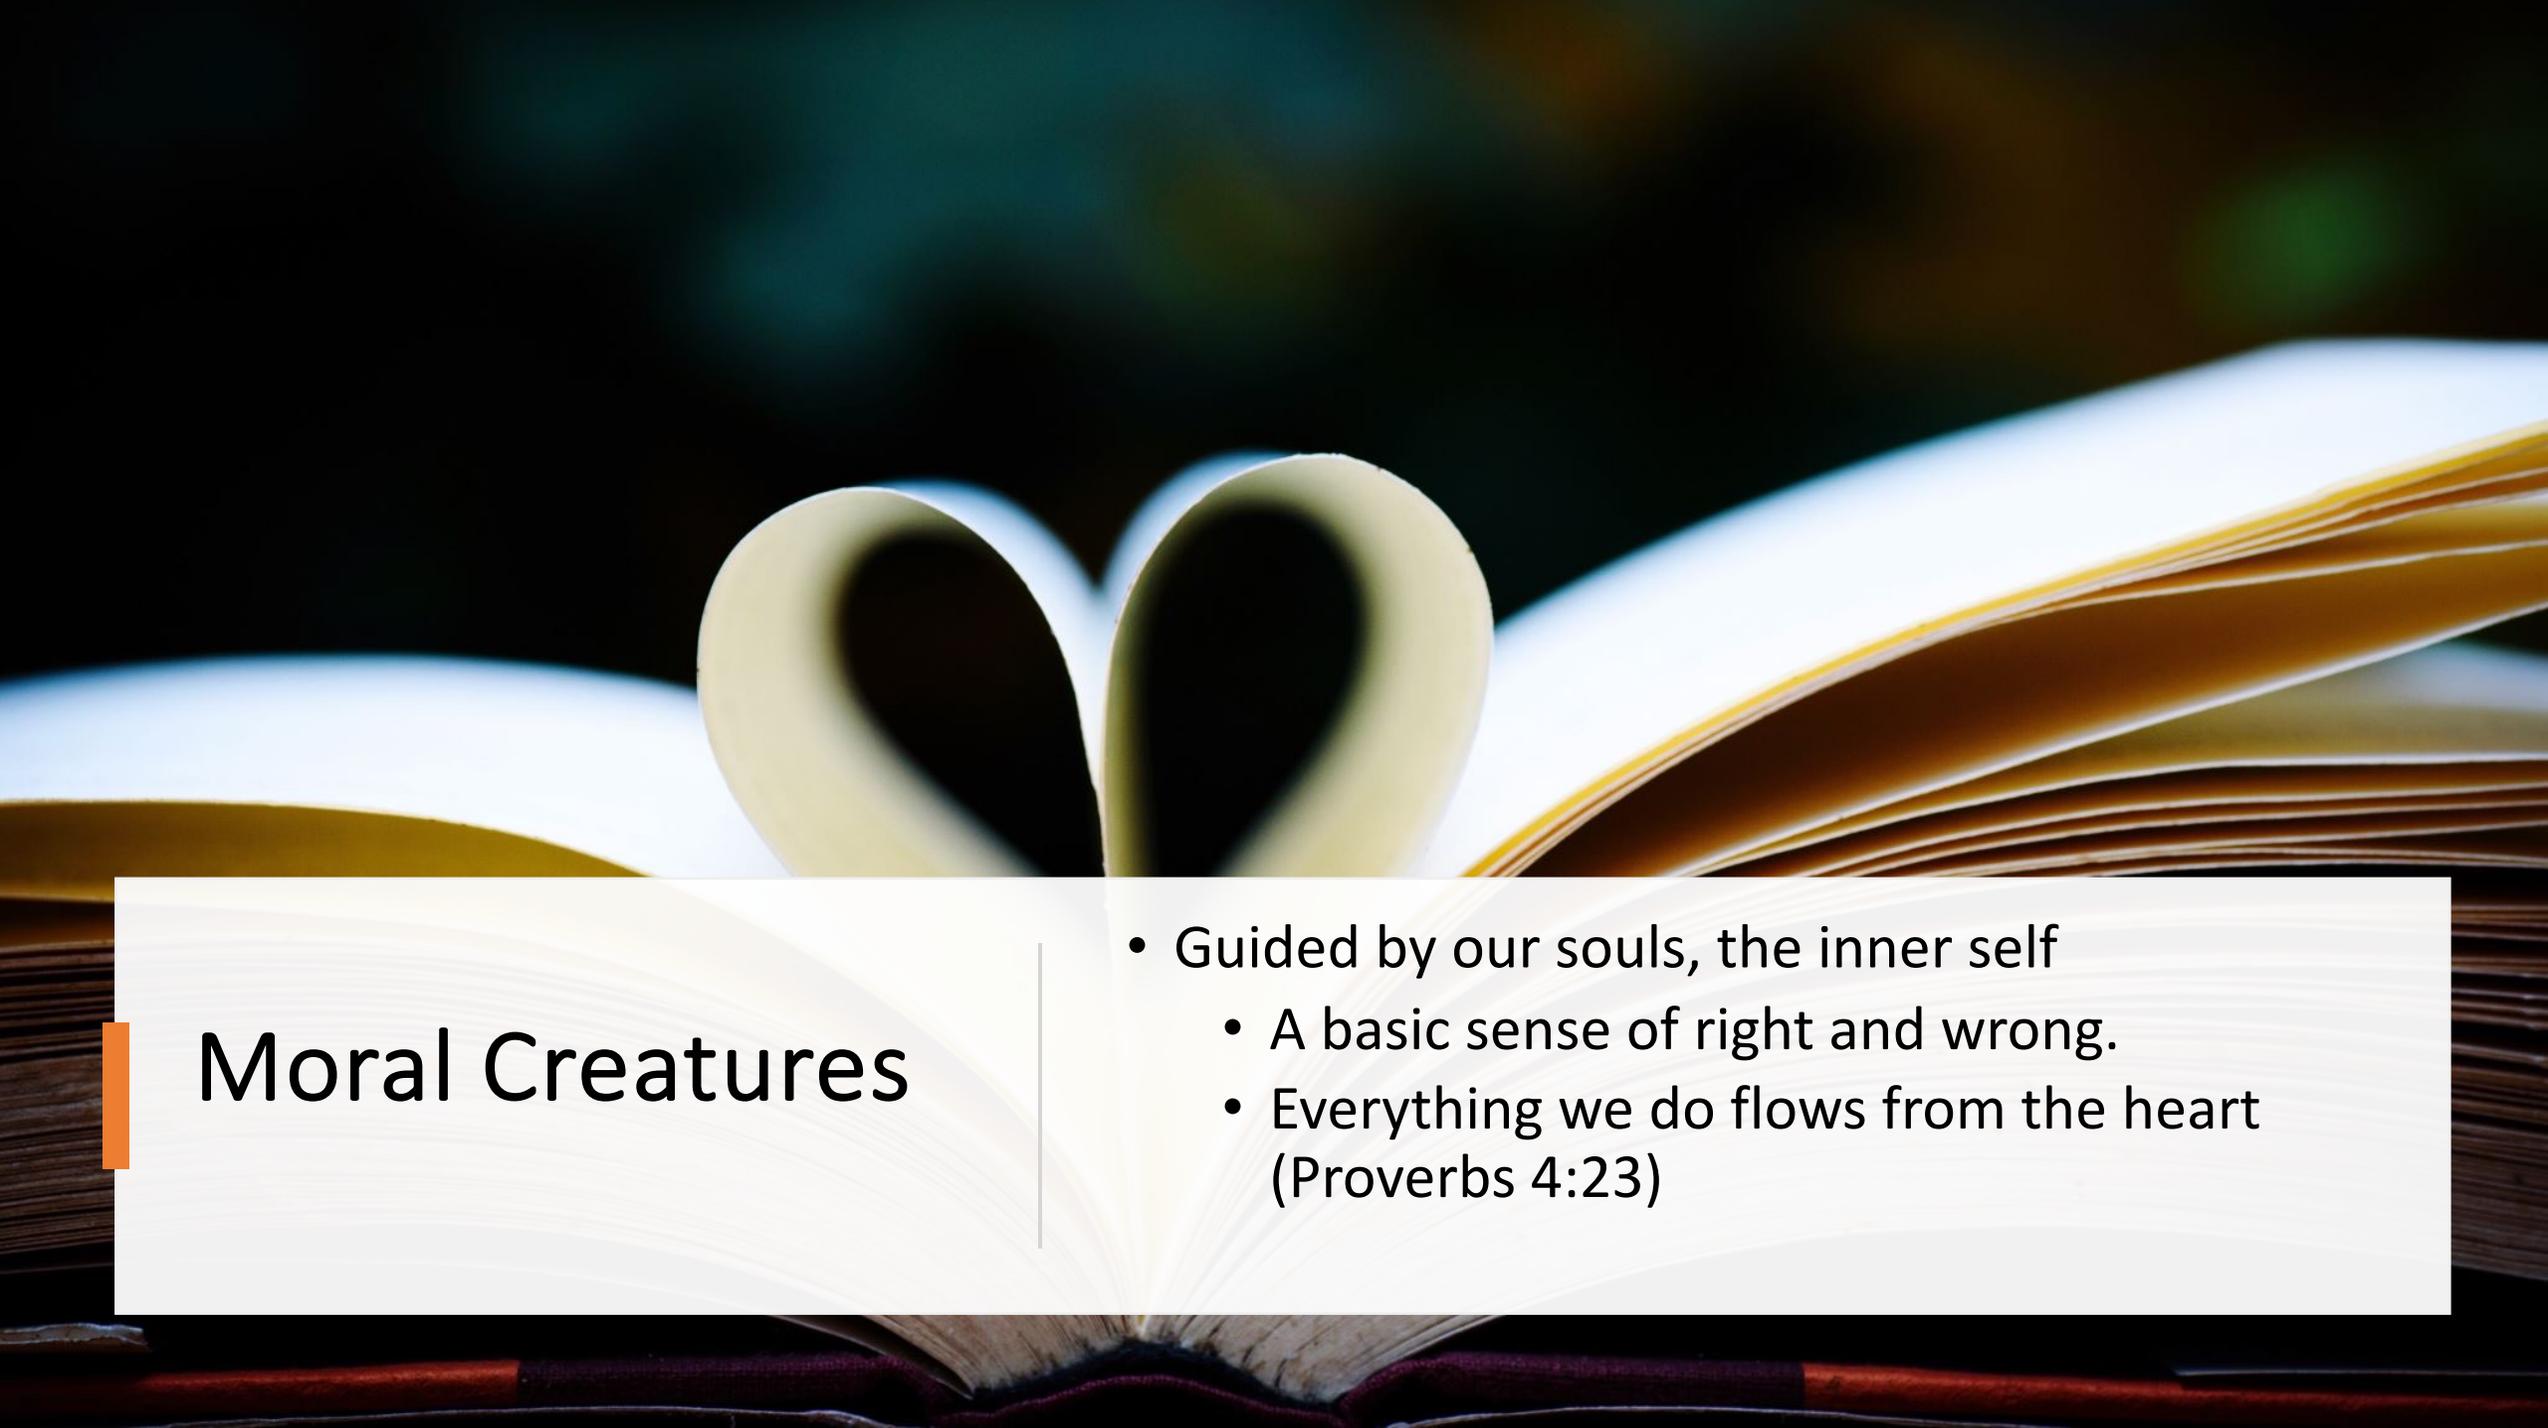

# Cognitive Ability

---

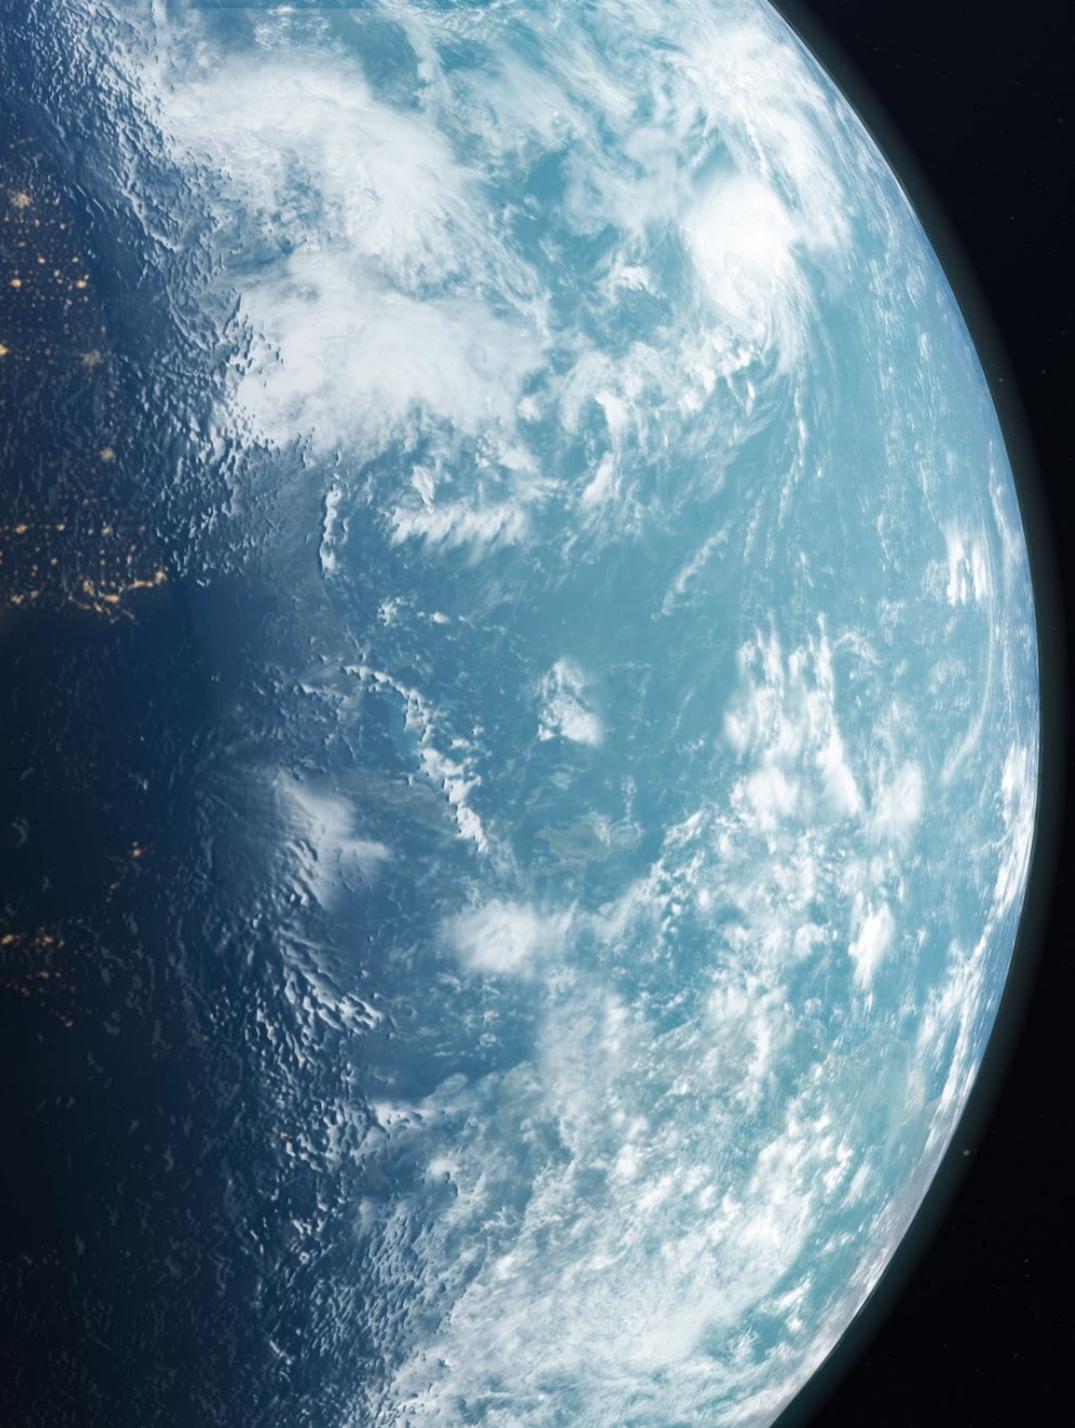

- The Mind
  - Human beings engage in complex reasoning.

An open book is shown from a top-down perspective, with the pages fanning out. The book is open to a page that is mostly white, with a semi-transparent white overlay on the right side. The background is dark and blurred. The text is in a clean, sans-serif font. The title 'Moral Creatures' is on the left, and a bulleted list is on the right.

# Moral Creatures

- Guided by our souls, the inner self
  - A basic sense of right and wrong.
  - Everything we do flows from the heart (Proverbs 4:23)

---

# Dominion

- Human beings are:
  - Given dominion over elements of creation. (*Genesis 1:26*)
  - To reflect God by being good stewards of the areas of responsibility He has granted to us. (*1 Peter 4:10*)

# Relationships

- The image of God is seen in human beings through Relationships. How?
  - When we know and love Him.
  - When we know and love other people. (Luke 10:27)

*Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind; and love your neighbor as your neighbor as yourself.*

# Relationships and Coaching

---

- Build trusting relationships
- Connect people to God through His Word
- Carry one another's burdens  
*(Galatians 6:2)*
- Communicate
- Equip
- Celebrate victory

# Teams & Relationship Building

---

- Team building is relationship building
  - The Budget Coach and Client are a Team.
- How do we show real interest in a client?
  - Be a good listener.
  - Ask questions.
  - Remember a person's name & concerns.
  - Show you care. Ask how you can pray for them.
