

FOUNDATIONS FOR THE BIBLICAL FAMILY

Study Pak 4

87. The two facets of child training: controlling and teaching. They are _____ different from one another. You must _____ you can teach. You _____ teach a child who is out of _____. _____ any teacher and they will _____ that a child out of control is _____. Ask any _____ and they will agree, too. It's a fact.
88. A _____ must be told _____ to do, a _____ must be taught _____ to do it. Remember a _____ is from _____ to 13. A _____ is from 13 to 18 or 21 depending on _____. A child is to be _____ not _____. They _____ to learn _____. During the _____ stage they need to follow to the _____. When told "_____", it means _____. When told "_____" it means _____. By 13, if you've _____ your job, _____ of the confrontations should be _____. There will be _____ confrontations but not _____. _____ then should come from _____. They will make _____ but they are willing. A child can't _____ that because they are _____ and they must be _____ to be self-centered. No one will accept _____ from _____ they do not _____. You must get them to respect you as children. _____ who don't _____ this will have _____ trouble. You say, "What if I haven't done right." "What if I've listened to the psychologists and read the baby books." A child who has been _____ and not _____ will become _____ and less _____.

89. Parents, listen to this. There is _____ here. When your children get older, if you keep treating them like a child when they are really a youth, you will ruin them. Sometimes parents are _____ like they are _____ to be but when the child becomes a teen they don't _____ . They will _____ their child. This is a _____ thing. Don't _____ after 13. Remember 13 is an _____ number. Some children may be _____ at 11. Not at _____ or _____ , of course. Be _____ about not showing _____ as they grow _____. Be careful about not being _____ to _____. Its _____ to _____ the _____ cord a little at a time than all at once. A lot of kids turn out bad because their parents _____ to them and _____ them.

One thing we did was gave the kids their _____ and it was theirs. Some parents give it to them and then say they want _____ in the _____. But, it is _____ allowance. I've tried to learn as they got older to give them more _____ and more _____. If you just keep being the total _____ that _____ wants you to be when they are younger, and don't _____ when they get older and don't start _____ them and _____ and _____, you will ruin them. I don't mean you don't discipline a teenager. Some people say you _____ spank a _____. If a teenager _____ like a _____ he should be in trouble. If they are _____ your _____ and they are _____ and _____ you have the right to _____ them. It should happen less and less though.

90. We can help our kids past many _____ experiences if we teach them to be under control. _____ may or may not be the best teacher but we will be dead before we learn. Experience is _____ the best teacher. There are many kids who will _____ come around because _____ has made them hard.

91. Remember, the ages _____. If a child _____ like a child he should be _____ like a child. If he shows _____ and _____ he should be _____ respect. A _____ child will take longer. There _____ strong-willed children. We will talk later about _____ and _____ rebellion. _____ often show passive rebellion. _____ often show active, obvious rebellion. The strong-willed boy or girl takes longer. You can't _____ up. When you _____ them it's worth it.

92. Children run in _____. Did you ever notice that everything's great and all of a sudden everything's bad. You can tell when it's _____. I like the word _____ better than _____.

93. It's much _____ to control a child than a _____.
It may sound _____ but that is why kids are born as _____ instead of full-grown.
Why? It's to be able to _____ the child. Did you ever wonder why the human being takes
_____ to raise than any other mammal? A fawn can run within an hour or so of its birth but
not _____. The _____ is that God has _____ us to raise our children.
One of the failures of the new math is that they give the _____ before the _____.
They need to learn the _____ first. It was _____ and it doesn't _____.
The _____ a child gets, the _____ it is.

The _____ of _____ is this: _____, hold back, _____ or
_____. Control is the _____ or pressure by which you _____ the
_____ which you have as a parent. God has _____ each parent
to _____ their child but many parents have _____ their _____ to
control _____. We will see some of the _____ why. Children are born
_____ controls. That is why we put _____ on them. Children need to learn what
to _____, what to _____, when to _____, and what
is _____ to _____ them. Parents think that putting your kids in
a _____ school will make the _____. It _____.
If they don't have it they will be _____ but you have to have more. You must
_____ your children. You must make sure they have the right controls.

94. What a _____ it would be raising a baby _____ diapers. What a mess it
_____ to train a child without _____. Controls are like _____.
In those boundaries there is _____. Children brought up _____ boundaries have
_____ freedom than those brought up with _____ boundaries.
There is freedom in boundaries. In Israel we go to _____, an old crusader fortress. You feel
safe within the walls of the fortress. That is the way it is with kids with boundaries. If they go too far
they will be in _____ but it gives them a _____ of freedom. It gives them a sense
of _____. It's like wearing a seat belt. I have _____ wearing seat belts.
We showed a film where a state trooper said, "I have never taken a dead man out with his seat belt on."
I feel a great _____ knowing my kids wear their seat belts.

95. Some of you may have had parents who were too _____ and _____ talked to you
and never _____ you, but that's _____ better than those who just got to do what
they _____ to do. How can you _____ a child to do something their
_____ have a hard time doing by _____? You don't tell your child you must
brush your teeth or you will get decay. They won't understand. They have to be taught that if they
_____ brush their teeth they are _____ to _____ it.

96. A child will _____ their _____ or stop _____ to get their
_____ way. A doctor said, "_____ them, they'll _____." They will
throw a _____ tantrum, even _____ their head against the wall. After a spanking
some children will _____ do just what you spanked them for. They are saying,
"_____ going to control _____." "_____ is going to be
done." That is why at 4 years old my son and I had a battle to see who was the _____ of the
_____. He finally decided the price was _____ great.

97. There is going to be _____. Conflict is _____. It can't be _____ and even more it is _____ of the training process. Don't try to get _____ it. You can't _____ it and have it go _____. The _____ battle of most wars is the _____ but oh the joy when a child _____ the _____ of the parent. After we in trouble our children we would always _____ them and _____ with them. It was _____. Correction is _____ to be the end of it. The _____ time is after a correction. They show _____ love. All the _____ was taken out of them. God's _____ is not only the _____ method it is the _____ method. Parents must _____ this, _____ themselves to it and become _____ in it to become _____ in controlling their children. It works and it's worth it. It's wonderful to see teenagers here in the church who don't have the _____ that's out there in the world. It all pays. We not only _____ but we _____ them and try to have _____ things for them than the _____ would have. Aren't you glad we don't have to do the things the world has to do? We can see our children grow up to be what they _____ be.
