

## Chapter 2: Jesus and the Gospel

### Up For Discussion:

1. If faith is all that is required for salvation, why should we mention the cross, shed blood, and resurrection? (Page 29)

---

2. What are some qualities that Jesus had when witnessing which we ought to apply in this day and age? (Page 35)

### Crucial Point:

Never look down on anyone. Jesus loved you enough to die for you, and He loved them enough to die for them. We are all in the same boat. We are terrible sinners without a chance of saving ourselves, but God loved us anyways and died for us. (Since we have accepted this incredible gift, we should be excited to share the amazing news with everyone who is in the same condition that we once found ourselves.)

### Make It Personal:

1. Jesus gave the gospel to the very religious and obvious sinners. (Examples: Simon and the woman who washed Jesus' feet with tears) Do you miss opportunities because the person seems either too religious to listen to you or too bad to care? \_\_\_\_\_

2. You are to be Christ-like. Are there areas in your witnessing that you can change to become more like Christ? \_\_\_\_\_

3. When you accepted Christ, did the person who brought you the gospel look down on you? \_\_\_\_\_ If he/she would have, what would have been your response? \_\_\_\_\_

### Assignment:

Being reminded of Jesus' conversation with the woman at the well, write down three ways in which "living water" is similar to natural water. (Page 34)

**Memorize:**

**John 3:16** For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

**John 7:37-38** In the last day, that great *day* of the feast, Jesus stood and cried, saying, If any man thirst, let him come unto me, and drink. <sup>38</sup> He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water.
